When Shall These Things Be? Or, Signs of the Last Times John Cumming, 1868 *The Quarterly journal of prophecy*, 1864 **A Dream of the Judgment Day** John Howard Smith, 2021-02-05 The United States has long thought of itself as exceptional a nation destined to lead the world into a bright and glorious future These ideas go back to the Puritan belief that Massachusetts would be a city on a hill and in time that image came to define the United States and the American mentality But what is at the root of these convictions John Howard Smith s *A Dream of the Judgment Day* explores the origins of beliefs about the biblical end of the world as Americans have come to understand them and how these beliefs led to a conception of the United States as an exceptional nation with a unique destiny to fulfill However these beliefs implicitly and explicitly excluded African Americans and American Indians because they didn t fit white Anglo Saxon ideals While these groups were influenced by these Christian ideas their exclusion meant they had to craft their own versions of millenarian beliefs Women and other marginalized groups also played a far larger role than usually acknowledged in this phenomenon greatly influencing the developing notion of the United States as the redeemer nation Smith s comprehensive history of eschatological thought in early America encompasses traditional and non traditional Christian beliefs in the end of the world It reveals how millennialism and apocalypticism played a role in destructive and racist beliefs like Manifest Destiny while at the same time influencing the foundational idea of the United States as an elect nation Featuring a broadly diverse cast of historical figures *A Dream of the Judgment Day* synthesizes more than forty years of scholarship into a compelling and challenging portrait of early America **Bibliotheca Americana** Joseph Sabin, 1891 **Lehrbuch Der Kirchengeschichte. History of the Christian Church to the Reformation. From the German of Professor Kurtz. With Emendations and Additions, by A. Edersheim. (From the Reformation to the Present Time.).** Johann Heinrich KURTZ, 1864 **The American Annual Cyclopedia and Register of Important Events of the Year ...**, 1864 **This**

Side of the Whirlwind Steven R. Harrel, 2016-04-15 Christians are being deceived Until now the Body of Christ has enjoyed less than the whole truth regarding The End Times in fact less than half Is it any wonder the current End Times doctrines are so muddled and missing volumes of prophetic information Discover why the prophets Daniel and John concealed important End Times facts Learn the significance of the Great Consummation message the second half to the Covenant of Jesus Christ Confront the final chapters which unveil the grand conclusion to Gods extraordinary plans for the greatest story ever told This Side of the Whirlwind provides evidence our world is heading for more than a single apocalypse Information within its pages will certify the Great Tribulation is neither Gods Wrath nor His plan for Christs return Uncover previously hidden biblical facts which confirm the first apocalypse will forcefully separate True Christians the Sheep from the Goats Recent revelation will also prove the Rapture cannot take place before the tribulation period has been fulfilled thus negating any possibility a Pre tribulation Rapture event could exist All this and more will be firmly established and confirmed in This Side of the Whirlwind
