The Gun Culture And Its Enemies:

The Gun Culture and Its Enemies Second Amendment Foundation,1990 *The Mythic Meanings of the Second Amendment* David C. Williams,2003-01-01 David Williams offers a new reading of the Second Amendment suggesting that it guarantees to individuals a right to arms only insofar as they are part of a united consensual people so that their uprising can be a unified revolution rather than a civil war **The Second Amendment and Gun Control** Kevin Yuill,Joe Street,2017-09-14 The Second Amendment by far the most controversial amendment to the US Constitution will soon celebrate its 225th anniversary Yet despite the amount of ink spilled over this controversy the debate continues on into the 21st century Initially written with a view towards protecting the nascent nation from more powerful enemies and preventing the tyranny experienced during the final years of British rule the Second Amendment has since become central to discussions about the balance between security and freedom It features in election contests and informs cultural discussions about race and gender This book seeks to broaden the discussion It situates discussion about gun controls within contemporary debates about citizenship culture philosophy and foreign policy as well as in the more familiar terrain of politics and history It features experts on the Constitution as well as chapters discussing the symbolic importance of Annie Oakley the role of firearms in race and filmic representations of armed Hispanic girl gangs It asks about the morality of gun controls and of not imposing them The collection presents a balanced view between those who favour more gun controls and those who would prefer fewer of them It is infused with the belief that through honest and open debate the often bitter cultural divide on the Second Amendment can be overcome and real progress made It contains a diverse range of perspectives including uniquely a European perspective on this most American of issues *Guns in American Society* Jaclyn Schildkraut,Gregg Lee Carter,2022-12-01 The revised third edition of the landmark *Guns in American Society* provides an authoritative and objective survey of the history and current state of all gun related issues and areas of debate in the United States *Guns in American Society An Encyclopedia of History Politics Culture and the Law* is a comprehensive and evenhanded three volume reference resource for understanding all of the political legal and cultural factors that have swirled around gun rights and gun control in America past and present The encyclopedia draws on a vast array of research in criminology history law medicine politics and social science It covers all aspects of the issue gun violence including mass shootings in schools and other public spaces gun control arguments and organizations gun rights arguments and organizations the firearms industry firearms regulation legislation and court decisions gun subcultures for example hunters and collectors leading opinion shapers on both sides of the gun debate technological innovations in firearm manufacturing various types of firearms from handguns to assault weapons and evolving public attitudes toward guns Many of these entries place the topics in both historical and cross cultural perspective America's Gun Wars Donald J. Campbell,2019-04-10 This book examines the controversies surrounding gun control which are less about whether it works and more about whether the nation should

prioritize traditional values of rugged independence or newer values of communitarian interdependence America's Gun Wars contends that an understanding of America's gun controversy cannot be found in statistics documenting the rise or fall of violent crime or in examining trade offs between societal needs and personal safety or in following the political maneuvering of advocacy groups such as the National Rifle Association or Everytown for Gun Safety At heart the gun controversy is a values conflict involving how people see themselves and how they make sense of the world they live in Understanding this controversy requires a deep analysis of the profoundly different cultures inhabited by pro and anti gun activists lawmakers and voters Written by a social scientist who has spent his life exploring how values and self perceptions impact behavior this book explores the origins and evolution of cultures in American society the beliefs experiences and principles that guide the behavior of members in both camps and the triumphs and failures that the two sides have experienced from colonial times to the present day

Shooters Abigail A. Kohn, 2004-06-10 Frequenting gun shops and shooting ranges and devoting particular attention to those whose interest in weaponry extends beyond the casual Abigail A Kohn captures in finegrained and often entertaining yet always humane detail how gun owners actually think and feel about their guns Through her conversations with cowboy action shooters at a regional match sport shooters hunters with shooters of all ages and races we hear of the savage beauty of a beautifully crafted long gun of the powerful historical import owners attach to their guns of the sense of empowerment that comes with shooting skill and the visceral thrill of discharging a dangerous weapon Cutting through the cliches that link gun ownership with violent criminal subcultures and portray shooters as gun nuts or potential terrorists Kohn provides us with a lively and untainted portrait of American gun enthusiasts

Guns in America Jan E. Dizard, Robert Muth, Stephen P. Andrews, 1999-04 Should you own a gun Americans losing trust in each other and institutions Arms and the woman a feminist reappraisal Guns are the tools by which we forge our liberty Gun control in American a history of discrimination against the poor and minorities Talk at Temple Beth Shir Shalom Friday April 30 1993 Apocalypse now They've had enough Author's call to arms gets answer The anti enviro connection America's only realistic option promoting responsible gun ownership What are the alternative Lawsuit aims at gun industry Crime fighting's about face

Second thoughts on the Second Amendment Ten essential observations on guns in America **Guns in American Society** Gregg Lee Carter, 2012-05-04 Thoroughly updated and greatly expanded from its original edition this three volume set is the go to comprehensive resource on the legal social psychological political and public health aspects of guns in American life The landmark 2002 edition of Guns in American Society An Encyclopedia of History Politics Culture and the Law was acclaimed for helping readers get beyond the sometimes overheated rhetoric and navigate the overwhelming amount of unbiased academic research on gun related issues Now in light of the steady rate of gun violence and several high profile shooting incidents this extraordinary three volume work returns in a timely and thoroughly updated edition With over 100 new entries the latest edition of Guns in American Society is the most current resource available on all aspects of the gun

issue including rates of violence gun control gun rights regulations and legislation court decisions pro and anti gun organizations gun ownership hunters and collectors public opinion toward guns and much more With expert contributions from the fields of criminology history law medicine politics and social science it gives students journalists policymakers and researchers a foundation for their own investigations while helping readers of all kinds make decisions as family members potential gun owners and voters **Armed** Gary Kleck, Don B. Kates, 2001-11 Hoping to disentangle myth from reality the authors summarize research on guns and violence in accessible nontechnical language Among the topics addressed are media bias in coverage of gun issues prohibitionist measures for reducing gun violence and a close analysis of the Second Amendment *Interpreting Objects and Collections* Susan M. Pearce, 1994 Bringing together the most significant papers on the interpretation of objects and collections this volume examines how people relate to material culture and why they collect things

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Gun Culture And Its Enemies eBooks, including some popular titles.

FAQs About The Gun Culture And Its Enemies Books

What is a The Gun Culture And Its Enemies PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Gun Culture And Its Enemies PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Gun Culture And Its Enemies PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Gun Culture And Its Enemies PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Gun Culture And Its Enemies PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
