Bobrosky,2017-04-22 This book is a compilation of my daily blogs that were mostly written during 2016 It includes reactions observations criticisms accolades or just plain head shaking frustration regarding some issue or event of the day The blogs stem from either a TV or newspaper item or a personal encounter with everyday madness in daily life **Radiation Sickness** Lama Milkweed L. Augustine,2007-07-31 I speak candidly about radiation sickness in a poignant manner because of not only the fact concerning myself succumbing to it but I wanted to create a memorable impact as well as there exist people scattered about this world as these same people are suffering and dying from this copiously sad disease or affliction or mans desires to alter the enviornment as he is now doing more harm than aiding it But as this story that is heart touching as it is revealing the young victim still maintained a sense of gentleness and patience in the direction of his unprovoked enemies which were those at the very nuclear power plant in his eyes gave him life a chance at hope for a brighter future in a rural place but still candidly holding onto the past in which he has grown Becomming completely ravaged from the terrible effects of the high level of nuclear radiation and from the industrial accident in which he fell prey this toxic waste worker still manages to keep himself peacefully aware of not only the ultimate consequences of their mistake or inexcusable blunder that should never be forgotten or done again **A Worrier to a Warrior** Tina Raked,2021-08-08 We all have a past present and future Although we generally understand that our past stories have shaped us to be the people we are in the present we still sometimes judge ourselves or others harshly compare our adversities to other people s triumphs and ultimately fall into a victim mindset What emerges from these judgments and perceptions are worriers who pity themselves and feel anxious about an unknown future Warriors on the other hand are those who turn pain into a powerful story and an opportunity for personal growth Are you a worrier or a warrior Life and leadership coach Tina Raked shares the inspirational journeys of 7 women from all walks of life including herself who bravely faced harsh physical financial or spiritual trauma and then overcame the pain and chaos by listening to the hero not the victim within A Worrier to a Warrior offers the true stories of 7 ordinary women who became extraordinary after awakening their inner warrior in the face of unexpected challenges in life **Under the Surface** Nell Jones,Penny Stewart,2015-10-21 A small walled village on a mountain top in Italy gives a surface picture of pastoral peaceful bucolic monotony yet underneath that surface lies a world of emotions and a sea of changes Quickly one discovers what Dr Martin Luther King Jr called the interrelated structure of reality From kidnappings to murder from teenage angst to mature passion from prejudice to understanding from greed to benevolence from festivals to funerals this small village reveals that what affects one affects all Come stroll through the lives of the complex inhabitants of this village in Italy *Ploughman King* Kurt R.A. Giambastiani,2007-02-01 Bretagne 884 AD Alain was once only the bastard son of the Delphine of Dead Ox Wood but fate and prophecy intervened Now he has deposed his blood father and taken his place as Count Vannes but he is also the fabled Fair One foretold for centuries by Fair Folk and Men alike The Fair Folk see Alain as their salvation the man who will bring them back from the Summerland to rule the Lands of Men but to the mages of

Bretagne he is the Undoer destroyer of the world But Alain cares nothing for this What he wants is to unite Bretagne and forge a nation for the true danger lies not from Fair Folk or mages but from the Frankish Empire to the east Or so he believes This is the concluding volume of the Ploughman Chronicles the story begun in Ploughman s Son In it Kurt R A Giambastiani author of the Fallen Cloud Saga and the modern fantasy Dreams of the Desert Wind has created an exciting alternate world that blends magic and politics myth and history
