The Healing Garden:

The Healing Garden Deb Soule, 2021-03-30 In *The Healing Garden* Deb Soule founder of Avena Botanicals offers an inspiring guide to herb gardening and crafting herbal remedies that promote wellness of spirit and body Soule combines her passion for plants gardens and healing with her extensive experience working with medicinal herbs flowers roots and berries Her practical advice addresses each aspect of fostering a garden filled with helpful healing plants biodynamic gardening practices gathering plants and setting up a drying room and creating herbal teas decoctions tinctures syrups tonics vinegars essences and more A chapter outlining eighteen medicinal herbs provides detailed information on their cultivation and healing properties Molly Haley's colorful photography showcases Avena Botanicals lush herb gardens in all seasons *The Healing Garden* is grounded in respect for the interconnectedness of all living beings and is an eloquent plea for spiritual awareness and the wholeness of individuals communities and our planet

Healing Garden Marjorie Harris, 1996-05 It's been known for centuries that plants have the power to heal the body but their ability to soothe the spirit and refresh the senses has not always been given the same attention Now at a time when so many of us are seeking spiritual renewal through the natural world comes a wonderful new book from one of our best known and most personal garden writers Marjorie Harris *The Healing Garden* is a thoughtful exploration how much gardens can restore teach soothe and heal our minds and souls *The Healing Garden* opens with a journey into the first healing garden the wilderness moving on to a history of how and why plants have been used as medicine and then fully exploring how contemporary horticultural therapy is becoming an important part of the healing process for the sick or infirm Harris looks at how gardens affect our senses how colors and floral scents affect our moods and how the power of a natural view may actually help people recover more quickly Finally she explains how we can design our own healing gardens to reflect our own personalities and spiritual needs Whether you crave the solitude of a Contemplative Garden the sensuality of a Tactile Garden or the abandon of a Wild Garden Marjorie Harris shows simple and inexpensive ways to transform even the smallest garden into a personal healing sanctuary Written in Marjorie Harris very personal style *The Healing Garden* will open another window of pleasure for all gardeners who already enjoy their own green oasis

Healing Gardens Clare Cooper Marcus, Marni Barnes, 1999-06-15 Although the healing qualities of nature have been recognized and relied on for centuries as a valuable part of convalescence recent history has seen nature's therapeutic role virtually eclipsed by the technological dominance of modern medicine As the twentieth century comes to a close and the medical community reacknowledges the importance of the environment to recovery the healing garden is emerging as a supplement to drug or technology based treatments *Healing Gardens* celebrates this renewed interest in nature as a catalyst for healing and renewal by examining the different therapeutic benefits of healing gardens and offering essential design guidance from experts in the field Unique and comprehensive *Healing Gardens* provides up to date coverage of research findings relevant design principles and approaches and best

practice examples of different types of healing gardens It begins by exploring what current research reveals about the connection between nature human stress reduction and medical outcomes It then presents case studies and design guidelines for outdoor spaces in medical settings that include general psychiatric and children s hospitals as well as hospices nursing homes and Alzheimer s facilities Historical information literature reviews and studies on use are included for each type of outdoor space covered offering important insights into what works in healing gardens and what doesn t Generously supplemented with photographs site plans anecdotes and more Healing Gardens is an invaluable practical guide for landscape architects and others involved in creating and maintaining medical facilities and an extremely useful reference for those responsible for patient care A unique and comprehensive look at the therapeutic effects and design of healing gardens For more and more people the shortest road to recovery is the one that leads through a healing garden Combining up to date information on the therapeutic benefits of healing gardens with practical design guidance from leading experts in the field Healing Gardens is an important resource for landscape architects and others working in this emerging area With the help of site plans photographs and more it presents design guidelines and case studies for outdoor spaces in a range of medical settings including Acute care general hospitals Psychiatric hospitals Children s hospitals Nursing homes Alzheimer s facilities Hospices

The Healing Garden David Squire,2002 Presenting fact as well as folklore Squire eloquently and exhaustively addresses aspects of gardening for the senses from color and sound to fragrance and touch As he deftly combines historical perspectives with practical considerations Squire also provides a visual feast of alluring color photos and archival paintings and illustrations Booklist
