The Kent Affair Documents And Interpretations

Miriam R. Jackson

The Kent Affair Documents And Interpretations:

The Kent Affair, 1971 *The Kent Affair* Ottavio M. Casale, 1971 This book puts at the reader's disposal a collection of documents and other materials including photographs, maps and cartoons which will enable him to assess objectively the events that took place at Kent State University, Kent, Ohio, May 4, 1970. Among the documents here represented are news reports, letters and editorials from across the nation, that portion of the Scranton Report dealing with the Kent State affair and the Report of the Special Grand Jury of Portage County, Ohio, on the same events. Back cover Kent State Brian VanDeMark, 2024-08-13 Longlisted for the 2024 National Book Critics Circle Award for Nonfiction. A Kirkus Reviews and New Yorker Best Book of 2024. An ALA Notable Book. A definitive history of the fatal clash between Vietnam War protestors and the National Guard, illuminating its causes and lasting consequences. On May 4, 1970, at Kent State University in Ohio, political fires that had been burning across America during the 1960s exploded. Antiwar protestors wearing bell-bottom jeans and long hair hurled taunts and rocks at another group of young Americans. National Guardsmen, sporting gas masks and rifles, at half past noon, violence unfolded with chaotic speed as guardsmen, many of whom had joined the Guard to escape the draft, opened fire on the students. Two reductive narratives ensued: one that lethal state violence targeted Americans who spoke their minds; the other that law enforcement gave troublemakers the comeuppance they deserved. For over fifty years, little middle ground has been found due to incomplete and sometimes contradictory evidence. Kent State meticulously re-creates the divided cultural landscape of America during the Vietnam War and heightened popular anxieties around the country. On college campuses, teach-ins, sit-down strikes and demonstrations exposed the growing rift between the left and the right. Many students opposed the war as unnecessary and unjust and were uneasy over poor and working-class kids drafted and sent to Vietnam in their place. Some developed a hatred for the military, the police and everything associated with authority, while others resolved to uphold law and order at any cost. Focusing on the thirteen victims of the Kent State shooting and a painstaking reconstruction of the days surrounding it, historian Brian VanDeMark draws on crucial new research and interviews, including for the first time the perspective of guardsmen who were there. The result is a complete reckoning with the tragedy that marked the end of the sixties. *The Kent State Incident* Thomas R. Hensley, 1981-06-26 **Crimes and Trials of the Century** Frankie Y. Bailey, Steven Chermak Ph.D., 2007-10-30 What do O.J. Simpson, the Lindbergh baby and Gary Gilmore have in common? They were all the focus of famous crimes and/or trials in the United States. In this two-volume set, historical and contemporary cases that not only shocked the nation but that also became a part of the popular and legal culture of the United States are discussed in vivid and sometimes shocking detail. Each chapter focuses on a different crime or trial and explores the ways in which each became famous in its own time. The fascinating cast of characters, the outrageous crimes, the involvement of the media, the actions of the police and the trials that often surprised combine to offer here one of the most comprehensive sets of books available on the subject of famous U.S. crimes and trials. The public seems fascinated

by crime News and popular media sources provide a steady diet of stories footage and photographs about the misfortunes of others in order to satisfy this appetite Murder rape terrorism gang related activities and other violent crimes are staples Various crime events are presented in the news every day but most of what is covered is quickly forgotten In contrast some crimes left a lasting impression on the American psyche Some examples include the assassination of President John F Kennedy the bombing of the Murrah building in Oklahoma City and the September 11th attacks These events and other significant cases are immediately or on reflection talked about as crimes of the century They earn this title not only because they generate enormous publicity but because of their impact on American culture they help define historical eras influence public opinion about crime change legal process and focus concern about important social issues They seep into many other shared aspects of social life public conversation fiction and nonfiction songs poems films and folk tales This set focuses on the many crimes of the century of the last 100 years In vivid detail each crime is laid out the investigation is discussed the media reaction is described the trial if there was one is narrated the resolution is explored and the significance of the case in terms of its social political popular and legal relevance is examined Illustrations and sidebars are scattered throughout to enliven the text print and electronic resources for further reading and research are offered for those wishing to dig deeper Cases include the Scopes Monkey trial Ted Bundy Timothy McVeigh O J Simpson Leopold and Loeb Fatty Arbuckle Al Capone JonBenet Ramsey the Lacy Peterson murder Abu Ghraib Columbine and more

Role of Federal Military Forces in Domestic Disorders, 1945-1992 (Cloth) Paul J. Scheips, 2005 This volume covering 1945 to 1992 is the third of three volumes on the role of federal military forces in domestic disorders Summarizing institutional and other changes that took place in the Army and in American society during this period it carries the reader through the nation's use of federal troops during the civil rights movement of the 1950s and 1960s and the domestic upheavals of the 1960s and 1970s associated with the Vietnam War The development and refinement of the Army's domestic support role as well as the disciplined manner in which the Army conducted these complex and often unpopular tasks are major themes of this volume In addition the study demonstrates the Army's progress in coordinating its operational and contingency planning with the activities of other federal agencies and the National Guard from the Foreword

We Shall Not Be Moved Miriam R. Jackson, 2017-04-07 *We Shall Not Be Moved* narrates the story of the Kent State student led May 4th Coalition and its efforts to maintain untouched the site of the Ohio National Guards shooting of thirteen Kent State students The story is told in a local context of the groups development and motivations during a long term conflict between the group its supporters the university administration The story is also told in a much larger context of national polarization over the meaning of the Vietnam War and the peace movement and the preferred historical narrative about the Vietnam era The book concludes that the May 4th Coalition lost its struggle to save the May 4th site because Americans determining the Vietnam narrative did not believe the protest of 1970 should be honored with saved land
