Grampa are based on experiences as a child growing up in Chatham Massachusetts which at the time was a fishing village Other stories are memories from the late 1930s to the early 1940s when we lived in a fishing shanty on Monomoy Point close to the Coast Guard station during the summertime In addition some are stories told to me by my grandfather All are experiences and memories of days when life was simpler when family shared the work of running a farm and family was the center of our lives We wandered the fields and explored the woods and waterways How I wish that my grandchildren had the freedom to experience the outdoors as I did

Investing Tips Grampa Taught Us Victor Eber,Elizabeth Masson,Eric Eber,2001 With so many money management books on the market I decided to write this book from the perspective of two of my grandchildren In 174 pages adorned with cartoons and other graphics I try to offer guidance on money and markets in a style devoid of jargon There are no short easy methods for doubling your money The book is however a road map to help traverse today s baffling financial highways My investing ideas drawn from 45 years of money management and teaching experience are keyed strictly to a get rich slowly strategy Stockbrokers may not like the strong warnings aimed at not so independent advisers Stock investing is my investment of choice with a dedication to fundamental valuation for long term investing planning today for financing young children s education as well as retirement planning for adults My dedication to stock investing stems from statistical comparisons compiled by a leading research firm which shows over a 68 year period stocks have outperformed bond Treasuries and bank CD s by wide margins For most my best bet is to invest in well chosen no load mutual funds Hold for the long term put in a fixed amount periodically and do not withdraw dividends That s my strategy
