worked at the empty looms till late into the night I should like very much to know how far they have got on with the cloth thought the Emperor But he remembered when he thought about it that whoever was stupid or not fit for his office would not be able to see it Now he certainly believed that he had nothing to fear for himself but he wanted first to send somebody else in order to see how he stood with regard to his office Everybody in the whole town knew what a wonderful power the cloth had and they were all curious to see how bad or how stupid their neighbour was I will send my old and honoured minister to the weavers thought the Emperor He can judge best what the cloth is like for he has intellect and no one understands his office better than he Now the good old minister went into the hall where the two impostors sat working at the empty weaving looms Dear me thought the old minister opening his eyes wide I can see nothing But he did not say so Both the impostors begged him to be so kind as to step closer and asked him if it were not a beautiful texture and lovely colours They pointed to the empty loom and the poor old minister went forward rubbing his eyes but he could see nothing for there was nothing there Dear dear thought he can I be stupid I have never thought that and nobody must know it Can I be not fit for my office No I must certainly not say that I cannot see the cloth Have you nothing to say about it asked one of the men who was weaving
