## **The Kingdom Revisited An Essay On Christian Socioal Ethics:**

The Kingdom Revisited Charles L. Kammer, 1981      House of Disciples Michael H. Crosby, 2004-01-28 The household was the basic unit of the early church it also constituted the basic unit of political economy until the Industrial Revolution This richly detailed work uses the notion of house as a unifying theme establishing the identity and concerns of the early Christian churches What emphases did Matthew's gospel have for that audience which Crosby establishes was urban based and prosperous and what does it mean to First World Christians today Through an in depth exploration of Matthew's gospel and its socioeconomic milieu House of Disciples shows how the world of the early church continues to challenge Christians nineteen hundred years later It makes a unique contribution to both New Testament scholarship and the practice of a contemporary spirituality      Ethics and Liberation Charles L. Kammer, 2002-12-26 The introduction to the nature and purpose of Christian ethics presents an ethical theory consistent with the fundamental insights of the Christian tradition Ethics and Liberation outlines an ethic which provides guidelines for responsible stands on contemporary issues be they personal or socio political Exploring both the strengths and weaknesses of traditional Christian ethics Kammer proposes going beyond them to an ethic of theonomous responsibility one based on the precepts of liberation theology Stressing the socio political dimension of ethics Kammer follows the threads of Christian tradition that led to an emphasis on personal salvation and a neglect of social issues Finally he traces the path from Christian realism through liberation theology Ethics and Liberation concludes with a discussion of two serious test cases in contemporary moral issues the distribution of health care and nuclear disarmament      *Mobilizing for the Common Good* Peter Slade, Charles Marsh, Peter Goodwin Heltzel, 2013-07-11 Born into a sharecropping family in New Hebron Mississippi in 1930 and only receiving a third grade education John M Perkins has been a pioneering prophetic African American voice for reconciliation and social justice to America's white evangelical churches Often an unwelcome voice and always a passionate provocative clarion Perkins persisted for forty years in bringing about the formation of the Christian Community Development Association a large network of evangelical churches and community organizations working in America's poorest communities and inspired the emerging generation of young evangelicals concerned with releasing the Church from its cultural captivity and oppressive materialism John M Perkins has received surprisingly little attention from historians of modern American religious history and theologians Mobilizing for the Common Good is an exploration of his theological significance With contributions from theologians historians and activists this book contends that Perkins ushered in a paradigm shift in twentieth century evangelical theology that continues to influence Christian community development projects and social justice activists today      Confession of a Catholic Michael Novak, 1985 Eighteen years after Vatican II this preeminent Catholic author called to account the values and policy of the Catholic church reevaluating some of the changes that he helped to effect and the impact of these changes on American Catholic life He concluded The world and its church looks far different now in 1983

from its reality in 1965 All is not well Originally published by Harper Row in 1983      **Ideology, Politics, and Government in the Soviet Union** John Alexander Armstrong,1986 Using a social science approach the author presents the historical and ideological foundations of today s Soviet political system and provides a concise but thorough exposition of the Soviet political and legal institutions including the role of the Communist Party This fourth edition also addresses economic issues nationality problems and the interplay of domestic and international forces in Soviet foreign policy Originally published in 1962 by Frederick A Praeger Inc      **The Mirage Shall Become a Pool** Ondrej Hron,2012-11-01 Few things are as important as our notions of justice and mercy Yet how are we to make sense of our moral treatment of the poor given all the political philosophical and theological voices While Christian Scripture is not silent on the matters of social justice and charity even here our variously conditioned presuppositions cause us significant interference Only a careful hermeneutical reset can move us beyond our personal and cultural situatedness This requires a thorough exploration of both interpretative strategies and pertinent scriptural witnesses So how would the New Testament witness have us treat the materially needy How do we act justly and love mercy in walking humbly with our God      **The Use of Force** Robert J.
