The Landed Gentry Passions And Personalities Inside Americas Propertied Class:

All the Presidents' Children Doug Wead, 2004-01-06 Biographical sketches of the children of the presidents from the time of George Washington to the present *The Rich Don't Always Win* Sam Pizzigati, 2012-11-27 The Occupy Wall Street protests have captured America's political imagination Polls show that two thirds of the nation now believe that America's enormous wealth ought to be distributed more evenly However almost as many Americans well over half feel the protests will ultimately have little impact on inequality in America What explains this disconnect Most Americans have resigned themselves to believing that the rich simply always get their way Except they don't A century ago the United States hosted a super rich even more domineering than ours today Yet fifty years later that super rich had almost entirely disappeared Their majestic mansions and estates had become museums and college campuses and America had become a vibrant mass middle class nation the first and finest the world had ever seen Americans today ought to be taking no small inspiration from this stunning change After all if our forbears successfully beat back grand fortune why can't we But this transformation is inspiring virtually no one Why Because the story behind it has remained almost totally unknown until now This lively popular history will speak directly to the political hopelessness so many Americans feel By tracing how average Americans took down plutocracy over the first half of the 20th Century and how plutocracy came back *The Rich Don't Always Win* will outfit Occupy Wall Street America with a deeper understanding of what we need to do to get the United States back on track to the American dream *The Raising of a President* Doug Wead, 2005 B T Local 01 23 2010 26 00 *The Wonder and Happiness of Being Old* Sophy Burnham, 2025-05-20 To read Sophy Burnham is to marvel at her eloquence erudition her wisdom and her daring She answers the question What is it like to be Old with honesty humility and humor This is a woman who fox hunted until she was 80 Julia Cameron author of *The Artist's Way* I love love love this book This is so much more than a book about aging Prepare for a stunning uplifting inspiring and honest look at the fullness of LIFE that takes the fear out of adding another year With Sophy Burnham's profound spiritual wisdom deftly woven into these delicious words you will want to read it with highlighter in hand Suzanne Giesemann author of *The Awakened Way* Forget what you think you know about life's so called last chapter Written in sparkling prose Burnham's latest book will inspire you to leap on a horse learn Latin or simply pause to drink in the view regardless of your age A meditation on beauty strength and life's meaning Burnham's frank and passionate epistolary book reframes what it means to age Katherine Eban New York Times bestselling author of *Bottle of Lies* *The Wonder and Happiness of Being Old* is a timeless introspection on age love passion memories regret and reconciliation death forgiveness and underneath it all the silent wisdom that derives from how differently we perceive our lives and struggles from the broader higher perspective of years What began as a singular letter in response to a younger family member standing on the precipice of her 60th birthday and asking the age old question What's it like to be old soon turned into one full year of unsent reflections wonderment and curiosity of a life truly lived Out of these reflections bestselling

author Sophy Burnham developed this short story telling collection of unsent letters that offer readers of all ages hope and joy and new ways to perceive the process of aging A kind and thoughtful read *The Wonder and Happiness of Being Old* is the perfect companion piece for life that you can return to time and time again to join Burnham as she reflects on her own desires and experience with age and growth and living fully Whether you re at the doorstep of 40 60 70 or 90 she welcomes you in with an outstretched hand and a knowing nod of understanding and warmth In the end this book is about being old It s also about joy And most importantly it s about love Love of self of life and of still being here to tell your stories *The Art of Intuition* Sophy Burnham,2011-02-03 From the New York Times bestselling author of *A Book of Angels* a wise and inspiring guide to strengthening one s intuitive abilities Are you intuitive Do you trust your intuitions In *The Art of Intuition* Sophy Burnham contends that we all have hunches and sudden insights and that we need only awaken to our inborn abilities in order to develop our inner wisdom In this fascinating book Burnham tells the stories of individuals who have seen without seeing to illustrate the workings of what she calls our intuitive hearts Exploring such topics as how loved ones are able to communicate with one another telepathically to skeptics who deny their power to see into the future this book represents an important spiritual thinker s take on a subject that is vital to us all According to Burnham intuition is always right and when you receive messages from Spirit be it in the form of a subtle impression or a thunderous bolt from the blue you must always follow the call ***The Landed Gentry*** Sophy Burnham,2000-09 *The Landed Gentry* is a collection of insider tales of inherited wealth and of the silver chains that bind those born into the American aristocracy Burnham is an excellent gossip her tales of school are not mean or nasty so much as revealing of her subjects *Palm Beach Life* ***America's Royalty*** Sanford Kanter,Sandra Quinn-Musgrove,1995-08-30 A comprehensive work about the first families children this is the only book available that treats these privileged few at any depth The reading is enjoyable answering questions such as What happened to and Did this president have any children The book also is informative glimpsing the lives of a few who have been shoved into the limelight at a certain period and for generations to come Historically the work functions sometimes as a period piece sometimes as a human interest piece but it always serves to help bring to life our first families Included where possible and or appropriate are the vital statistics of birth marriage education development profession and death The book is a good read but it also serves an historical function Aside from the fact that the book is informative reading about the lives of the children of America s chief executives is like peering into a moment of the American equivalent of royalty Observing the exciting painful humdrum and heartfelt experiences of both the children and the families may also serve to increase the reader s understanding of the real lives of these emulated families that they too lead lives that are similar to every person s except that they are in the historical spotlight After all leaders such as Lincoln and Kennedy were forced to continue governing the affairs of state as their sons died *Hearings, Reports and Prints of the Senate Committee on Agriculture, Nutrition, and Forestry* United States. Congress. Senate. Committee on Agriculture, Nutrition, and Forestry,1978

America's Royalty Sandra L. Quinn-Musgrove, Sanford Kanter, 1983 The only book to present in any depth information on the children of our first families this work is enjoyable as well as informative *Los ricos no siempre ganan* Sam Pizzigati, 2021-07-12 Las protestas de Occupy Wall Street han capturado la imaginaci n pol tica norteamericana Las encuestas revelan que dos tercios de la naci n creen que la riqueza debe ser distribuida de manera m s uniforme pero m s de la mitad sienten que las protestas tienen poco impacto en la desigualdad C mo se explica esta desconexi n La mayor a de los estadounidenses se han resignado a creer que los ricos simplemente siempre se salen con la suya Excepto que no lo hacen Hace un siglo Estados Unidos fue anfitri n de una oligarqu a a n m s dominante que la de hoy Sin embargo cincuenta a os despu s los super ricos hab an desaparecido casi por completo y sus mansiones y haciendas pasaron a ser museos y universidades Am rica se convirti en una vibrante naci n de clase media Al rastrear c mo los estadounidenses lograron arrinconar a la plutocracia en la primera mitad del siglo XX y c mo sta regres un tiempo despu s Pizzigati aporta al 99% una comprensi n m s profunda de lo que se puede llegar a hacer Si nuestros antepasados golpearon con xito a las grandes fortunas nosotros tambi n podemos hacerlo Esta parte de la historia se ha mantenido pr cticamente oculta hasta ahora pero los ciudadanos de los EE UU y del resto del mundo deber amos tomar no poca inspiraci n de este cambio impresionante
