The Last American President Thom Hartmann, 2025-09-23 From bestselling progressive talk show host Thom

Hartmann comes an urgent autopsy of American democracy showing how plutocrats political cowardice and systemic rot built the perfect runway for Trump's authoritarian ascent. The Last American President rips open America's wounded democracy to expose a terrifying truth: Donald Trump isn't an anomaly; he's the inevitable product of a system engineered to fail. This searing investigation reveals how a man forged by childhood trauma, pathological narcissism, and calculated cruelty didn't hijack democracy; he was handed the keys by those who should have been its guardians. Hartmann uncovers the unholy alliance between Trump's damaged psyche and America's rotted institutions. From Fred Trump's brutal parenting to Roy Cohn's lessons in shamelessness from a Republican Party that traded principles for power to billionaire donors who treated democracy as a profit center, this book exposes the assembly line that manufactured an authoritarian. But this is about more than Trump's past; it's about America's future. As climate catastrophe accelerates and fascism spreads globally, Hartmann reveals the nightmare scenario: a second Trump term that doesn't just end American democracy but also triggers irreversible planetary damage. Through meticulous research and unflinching analysis, he shows how political cowardice and corporate greed created the perfect storm that could extinguish humanity's last chance at survival. This isn't just political commentary; it's a last-minute alarm sounding before the point of no return.

Richard and Frank relocated to Miami, Florida, where they ran an arms and munition smuggling operation into Cuba bound for the rebels of Fidel Castro. During the summer of 1958, Richard Sanderlin traveled to the Sierra Maestra Mountains in Oriente Province, Cuba, where he trained the rebels of Fidel and Raul Castro in military strategy, tactics, weapon handling, and hand-to-hand fighting. After completing the training of Raul Castro's Second Front, Richard led a guerrilla band into ten combat operations against the Batista army. This is the story of an idealistic young warrior who fought against the tyranny of dictatorship only to be betrayed by a communist conspiracy led by Fidel Castro.

This eBook edition of *The Last American Frontier Complete Edition* has been formatted to the highest digital standards and adjusted for readability on all devices. The exploration, settlement, exploitation, and conflicts of the American Old West form a unique tapestry of events which has been celebrated by Americans and foreigners alike in art, music, dance, novels, magazines, short stories, poetry, theater, video, games, movies, radio, television, song, and oral tradition. Many historians of the American West have written about the mythic West, the west of western literature, art, and of people's shared memories. But Frederic Paxson's book takes us through the era when the American frontier was undergoing a massive transformation and when the decades-old struggles of the Native Americans were finally beginning to make a dent in the old white American history. Frederic Logan Paxson was a Pulitzer Prize-winning American historian and an authority on the American frontier.
