The Last Generation Of Truth:

Biblical Prophetic Chronicles of the Last Generation Steven B. Riddley, 2015-10-12 One of the great mysteries of the Bible is what Daniel was told not to reveal in Daniel 12 9 and what John was told not to write down in Revelation 10 4 This is to be revealed to the generation that shall not only see but experience what you are about to read I am not a man that have dreams and visions all I can say that in the year 2002 one morning during my prayer time God spoke to me in my spirit These words Jeremiah 33 3 and thereafter began to reveal to me these mysteries you are about to read concerning what about to happen in America and around the world What has been so profound about this experience is to have the Holy Spirit walk you through the bible scripturally *Epochal Dream* Caleb Batey, 2013-05 Brinn a small Ibalexan is the last of his kind After his world is destroyed he is rescued by the Guardians of Eternal Life a race of benevolent super beings who have mastered immortality resurrection and creation itself Billions of years ago they were once known as human Humanity has emerged into the New Epochal a newly born universe created from an ekpyrotic big bang The Guardians stewards of the universe hold the Principal Cause above all things Life a creation of Life creates Life and Life lives forever The Guardians call Epsilon Truthe a white dwarf star their new home From there they have spread out across the galaxy to further the Principal Cause But one amongst them dares to challenge the chancery laws of his people Now a rogue exiled Guardian he sets out on a campaign of dissent and sabotage Soon he has recruited a full third of his fellow Guardians to his cause and a once united Epsilon Truthe finds itself in conflict Brinn is soon propelled to the center of attention as the representative for an ancient alien known as the Archxion This intervention is timely for the Guardians adversary has united with a nihilist faction of the Angelian Conglomerate a group of races who were once perceived as angels by Terran Humanity and these Angelian separatists consider the Guardians an infestation of their domain What s more they vow to not allow Terran Humanity or any race for that matter to transit to the next epochal cycle of the universe **The 20Th Century . . . the Real Truth** Robert Hubschman, 2017-08-22 Just imagine being a sixteen year old child in 1900 compared to a sixteen year old child in 2000 and the advancements that resulted in changes not only in the United States but the entire world Most history books are slanted depending not only on what country you are from but also on the geographic location in some countries especially in the United States One cannot help but admire all the advancements in such a short time span in the twentieth century in comparison to the rest of the advancements that took place throughout human history the span of time that took us from the horse to the horseless carriage and beyond What must have seemed to be science fiction in 1900 is our reality today The one lost concept seems to revolve around God and religion There are extremists in both the right and the left with the minority either killing in his name or trying to take him out of our culture completely No matter who we refer to him as he cannot be happy with the mess we made of this world and his many gifts What about our future *Emerging Trends, Enduring Truth: The Spiritual Attitudes of the New Generations* , **The Volumes of Truth: Volumes One Through Seven** YAHUSHUA
