involved along with many of lesser rank but important experience and many Americans as well The result is a unique and invaluable work one recounting from the early days of the Army of the Republic of Vietnam its organization and development its combat operations and its interaction with American advisors and then later with deployed American units Viet tells this story as an historian would not glossing over the shortcomings and failures of his fellow Vietnamese soldiers or of the Americans but also providing definitive accounts of their successes their innovations their courage and determination and the hardships experienced and survived in the course of a long difficult and ultimately unsuccessful struggle In Colonel Viet's words In order to give the truth back to history we did not hide anything whether it be victory or defeat Finally in a very touching portion of the work Colonel Viet memorializes his fallen comrades of the armored force and commemorates the service of all the American advisors to the armored force he was able to identify **McAlister—Steel Street Agenda** Don Keiper,2014-03-17 In the world of human trafficking the worst are those who traffic in children Elaina Rebikova was one of the most successful enjoying the protection of the Russian Mob she operated without fear of reprisal But one day she made a mistake Attempting to fill a contract she went after Mac's family Mac's anger had no boundaries and laws were immaterial a fact that was to become readily apparent to the Russian Mob as he tore through their operations on Steel Street and left a path of death and destruction in a dozen countries around the world Using force and intimidation he would forge an alliance with an unsavory individual on the inside to get to Rebikova Nothing was off limits when it came to making this woman pay for what she had done Lipman V. Arlington Seating Company ,1951 *The Cloak of Steel* Stephen Hayes,2017-08-15 John and his circle of friends wanted dead by the new ruler of the world suddenly have their one and only sanctuary infiltrated and destroyed Yet this catastrophe is also an opportunity for the group of teenagers to do what their elders have so far failed to do and topple the tyrant once and for all With the Woodward Base destroyed by Arnold Hammerson and his soldiers John and his friends must take what little magic they have and put it to most effective use But a problem remains how to do what they know must be done The problem is far too big to be solved with a single stroke of spellwork as our heroes soon discover Their only real chance is to put to use a piece of knowledge which almost no one in the world knows about even though it would result in certain death for all of them if they fail
