Situation Of The Story Short Fiction In Contemporary Perspective:

Charlotte Perkins Gilman's "The Yellow Wall-paper" and the History of Its Publication and Reception Julie Bates Dock, 1998-02-27 Since its publication in 1892 Charlotte Perkins Gilman's *The Yellow Wall paper* has always been recognized as a powerful statement about the victimization of a woman whose neurasthenic condition is completely misdiagnosed mistreated and misunderstood leaving her to face insanity alone as a prisoner in her own bedroom Never before however has the story itself been portrayed as victimized In this first critical edition of Gilman's *The Yellow Wall paper* accompanied by contemporary reviews and previously unpublished letters Julie Bates Dock examines the various myth frames that have been used to legitimize Gilman's story The editor discusses how modern feminist critics readings and misreadings of the available documents uphold a set of legends that originated with Gilman herself and that promulgate an almost saintly view of the pioneering feminist author The documents made available in the collection enable scholars and students to evaluate firsthand Gilman's claims regarding the story's impact on its first audiences Dock presents an authoritative text of *The Yellow Wall paper* for the first time since its initial publication Included are a textual commentary full descriptions of all relevant texts lists of editorial emendations and pre copy text substantive variants a complete historical collation that documents all the variants found in important editions after 1892 and a listing of textual sources for more than one hundred reprintings of the story in anthologies and textbooks Other documents in the casebook that illuminate the story's publication and reception histories include Gilman's successive and varying accounts of the story's history her diary and manuscript log entries and letters pertaining to the story W D Howells's correspondence with Gilman and Horace Scudder editor of *The Atlantic Monthly* and his remarks on the story when he reprinted it in *Great American Short Stories* and more than two dozen reviews of the story by Gilman's contemporaries Taken together the criticism text documents and annotations constitute a rich and valuable contribution to Gilman scholarship calling into question the feminist literary criticism that has helped to shape interpretations of a literary masterpiece *The Situation of the Story* Diana Young, 1993-01-01 [The Oxford Handbook of Modern Irish Fiction](#) Liam Harte, 2020-10-15 The *Oxford Handbook of Modern Irish Fiction* presents authoritative essays by thirty five leading scholars of Irish fiction They provide in depth assessments of the breadth and achievement of novelists and short story writers whose collective contribution to the evolution and modification of these unique art forms has been far out of proportion to Ireland's small size The volume brings a variety of critical perspectives to bear on the development of modern Irish fiction situating authors texts and genres in their social intellectual and literary historical contexts The Handbook's coverage encompasses an expansive range of topics including the recalcitrant atavisms of Irish Gothic fiction nineteenth century Irish women's fiction and its influence on emergent modernism and cultural nationalism the diverse modes of irony fabulism and social realism that characterize the fiction of the Irish Literary Revival the fearless aesthetic radicalism of James Joyce the jolting narratological experiments of Samuel Beckett Flann O'Brien and

Mirt n Cadhain the fate of the realist and modernist traditions in the work of Elizabeth Bowen Frank O Connor Se n O Faol in and Mary Lavin and in that of their ambivalent heirs Edna O'Brien John McGahern and John Banville the subversive treatment of sexuality and gender in Northern Irish women's fiction written during and after the Troubles the often neglected genres of Irish crime fiction science fiction and fiction for children the many hued novelistic responses to the experiences of famine revolution and emigration and the variety and vibrancy of post millennial fiction from both parts of Ireland Readably written and employing a wealth of original research The Oxford Handbook of Modern Irish Fiction illuminates a distinguished literary tradition that has altered the shape of world literature

Contemporary Debates on the Short Story José R.

Ibáñez Ibáñez, José Francisco Fernández, Carmen M. Bretones, 2007 For nearly a century of being underestimated as a literary genre the short story is currently experiencing a revival The editors of this collection of articles have brought together the contributions of nine outstanding scholars in the field of the short story to reveal some of the many directions in which the genre is expanding This book is a reasoned and well documented anthology which casts light on new aspects of the short story It participates in the current trend of short story criticism characterized by the gathering in one single volume of a diversity of approaches with the main aim of promoting discussion on this thriving area of literary studies The editors of this volume believe that a fruitful tension may rise by putting side by side insights into a not so well known tradition on the one hand and fresh considerations on unexpected developments of the short story on the other All in all the short story emerges as a dynamic and flexible form that reacts and adapts itself better than any other literary genre to the challenges of the sceptical times we live in

The Short Story in German in the Twenty-first Century Lyn Marven, Andrew Plowman, Kate Roy, 2020 Since the 1990s the short story has re-emerged in the German speaking world as a vibrant literary genre This volume aims to establish a framework for further research into this rich field The introduction and six thematic chapters discuss theories of the short story form literary aesthetic questions and key trends in the twenty first century Seven chapters on significant literary figures from Germany Austria and Switzerland then offer a range of theoretical and thematic approaches to individual stories and collections Finally two original translations showcase contemporary short story writing in German

The Short Story after Apartheid Graham K. Riach, 2023-10-15 Honourable Mention in the 2023 British Association for Contemporary Literary Studies Monograph Prize The Short Story after Apartheid offers the first major study of the anglophone short story in South Africa since apartheid's end By focusing on the short story this book complicates models of South African literature dominated by the novel and contributes to a much needed generic and formalist turn in postcolonial studies Literary texts are sites of productive struggle between formal and extra formal concerns and these brief fragmentary elliptical formally innovative stories offer perspectives that reframe or revise important concerns of post apartheid literature the aesthetics of engaged writing the politics of the past class and race the legacies of violence and the struggle over the land Through an analysis of key texts from the period by Nadine Gordimer Ivan Vladislavi Zo Wicomb

Phaswane Mpe and Henrietta Rose Innes this book assesses the place of the short story in post apartheid writing and develops a fuller model of how artworks allow and disallow forms of social thought Edinburgh Companion to the Short Story in English Paul Delaney,2018-11-27 This collection explores the history and development of the anglophone short story since the beginning of the nineteenth century Handbook of the American Short Story Erik Redling,Oliver Scheiding,2022-01-19 The American short story has always been characterized by exciting aesthetic innovations and an immense range of topics This handbook offers students and researchers a comprehensive introduction to the multifaceted genre with a special focus on recent developments due to the rise of new media Part I provides systematic overviews of significant contexts ranging from historical political backgrounds short story theories developed by writers print and digital culture to current theoretical approaches and canon formation Part II consists of 35 paired readings of representative short stories by eminent authors charting major steps in the evolution of the American short story from its beginnings as an art form in the early nineteenth century up to the digital age The handbook examines historically methodologically and theoretically the coming together of the enduring narrative practice of compression and concision in American literature It offers fresh and original readings relevant to studying the American short story and shows how the genre performs American culture **African Egalitarian Values and Indigenous Genres** Eshete Gemedo,2012 Eshete Gemedo is researcher at the University of Southern Denmark Institute of Literature Cultural Studies and Media Book Jacket **The Reader's Construction of Narrative** Horst Ruthrof,2016-08-19 In this book first published in 1981 the author argues that narrative is an interaction between the presented world and the presentational process and attempts to define narrative from the perspective of reading The Reader s Construction of Narrative includes chapters on narrative language translating narrative and discusses what happens when we read a narrative text This book will be of particular interest to students of literary theory
