but little has been done to explain why the conflict happened at all Now historian Guy Laron refutes the widely accepted belief that the war was merely the result of regional friction revealing the crucial roles played by American and Soviet policies in the face of an encroaching global economic crisis and restoring Syria's often overlooked centrality to events leading up to the hostilities The Six Day War effectively sowed the seeds for the downfall of Arab nationalism the growth of Islamic extremism and the animosity between Jews and Palestinians In this important new work Laron's fresh interdisciplinary perspective and extensive archival research offer a significant reassessment of a conflict and the trigger happy generals behind it that continues to shape the modern world Challenging well worth reading Moment A penetrating study of a conflict that although brief helped establish a Middle Eastern template that is operational today The author looks beyond Cold War maneuvering to examine the conflict in other lights Readers with an interest in Middle Eastern geopolitics will find much of value Kirkus Reviews *The Arab-Israeli Six-Day War* Jeff Hay, 2012-12-28 This volume explores the 1967 Six Day War between Israel and several neighboring Arab nations Readers are offered background information on the events leading up and during the war as well as varying views on the controversies surrounding the war and its aftermath Readers will evaluate whether Israel should hold on to the post 1967 borders and the impact of the postwar occupations Personal narratives come from Israeli Palestinian and other perspectives allowing readers to develop opinions from the words of those who experienced it themselves *The Six Days of Creation* William Graeme Rhind, 1855 **The Six Day War 1967** Simon Dunstan, 2013-02-20 A concise explanation of the campaigns in which Israel took over the West Bank and the Golan Heights Following the lightening destruction of the Egyptian forces at the outbreak of the Six Day War Israel turned to the forces of Jordan and Syria with whom Egypt had signed a mutual defence pact and which had now entered the war Jordan's army moved against West Jerusalem and central Israel while Syria began shelling Israeli towns from the seemingly impregnable Golan Heights The IDF's invasion of the Golan was as risky and successful as its more famous Egyptian victory but its success in Jordan taking the West Bank sowed the seeds of its future troubles Comprehensively illustrated with artwork maps and battlefield views this new history brings one of the most important of 20th century campaigns to life **The Six-Day Financial Makeover** Robert Pagliarini, 2006-10-03 In six short days you can and will experience a total financial transformation There are truckloads of investing and personal finance books available What makes this one different You'll learn how to develop a compelling financial vision for your life quickly put your savings on autopilot maximize your success by investing with a purpose survive when disasters strike and protect your loved ones in a way that's simple effective and fun This isn't just another personal finance book one that rehashes the same tired financial rules of thumb and glib investment advice Financial Motivator Robert Pagliarini provides specific guidance that cuts through the financial fog complex jargon and wishy washy advice that makes it hard for people to understand and implement positive financial changes in their lives More than a book The Six Day Financial Makeover will not only show you exactly what you need to do to radically improve
