instead of 36 97 LAST DAYS Do you want to get started with the ketogenic diet Keto diet is a trend of nowadays People on this diet choose to eat more fats and proteins and restrict carbs consumption The main condition for a low carb diet is to get a certain amount of net carbs every day Keto diet can be very diverse There are a huge number of delicious salads side

dishes snacks desserts and simple but very useful breakfasts Changing your diet can be hard so this book will provide you with helpful tips on how to succeed The ketogenic diet is all about high quality meats lots of vegetables and healthy fats like full fat coconut milk and grass fed butter Slow cooking is familiar to most people In fact it s one of the oldest forms of cooking because meat and veggies had to be stewed for a long time to make them soft and safe enough to eat Slow cookers are easy to use and are essentially the same no matter what brand you have When you re ready to prepare a meal in your slow cooker always read the recipe Because there are so many slow cookers out there which ones are the best You want to consider size construction functions and price The smallest cookers are only 3 5 quarts while bigger ones can go up to 7 quarts You probably want a larger slow cooker because a common reason for buying one is to prepare food that can be used for leftovers You also want one that can fit additional inserts like ramekins when you re cooking individual desserts Slow cookers have gotten a lot more technologically advanced over the years so the sky s the limit One CrockPot model even has an app where you can control the temperature and time of your cooker without even being in the house Others are very basic with just the knob for high or low heat This is where price tends to come in the cooler features the more you ll pay You should also expect to pay more for a slow cooker that is built to last The best ones keep on cooking for decades Think of it as an investment You re more likely to cook at home more with a slow cooker so if you usually eat out a lot you ll save a lot of money It s your choice though so consider all the factors and your budget to make the best decision for your family This book covers The Slow Cooker the Keto Diet Plan Breakfast Brunch Favorites Poultry Recipes Lamb Beef Recipes Pork Seafood Recipes Vegetarian Side Dishes Tasty Stews Soups Chilis Desserts Delicious Treats And much more 55% OFF for Bookstores NOW at 16 64 instead of 36 97 LAST DAYS You will Never Stop Using this Awesome Cookbook Buy it NOW and get addicted to this amazing book
