Michael Owen,2017-07-01 It has been said that the records of singer and actress Julie London were purchased for their provocative full color cover photographs as frequently as they were for the music contained in their grooves During the 1950s and 60s her piercing blue eyes strawberry blonde hair and shapely figure were used to sell the world an image of cool sexuality The contrast between image and reality the public and the private is at the heart of Julie London's story Through years of research extensive interviews with family friends and musical associates and access to rarely seen or heard archival material author Michael Owen reveals the impact of her image on the direction of her career and how it influenced the choices she made including the ultimate decision to walk away from performing Go Slow follows Julie London's life and

career through its many stages her transformation from 1940s movie starlet to coolly defiant singer of the classic torch ballad Cry Me a River of the 50s and her journey from Las Vegas hotel entertainer during the rock n roll revolution of the 60s to the no nonsense nurse of the 70s hit television series Emergency Finding Faith in Slow Motion Damon J.

Gray,2013-11-12 Faith is neither static nor instantaneous It is not something we stumble upon and instantly understand Neither is it a monolithic one dimensional singular entity that has but one face one color one fragrance It is many faceted multi dimensional and appears differently depending on ones angle to the Son In Finding Faith in Slow Motion Damon Gray examines faith from myriad angles and through gut wrenching life experiences as he asks regarding faith What is that stuff Spanning the emotional gamut from laughter to tears Gray challenges us to define our faith and redefine it to look at it from a multitude of perspectives and define it again The writing is intentionally evocative and playful offering the reader the ability to identify with Gray as he wrestles with the weighty subject matter of finding faith **Wisconsin Commercial**
