

A top-down view of a wooden desk with various office supplies. A spiral-bound notebook with a black cover is open, showing a yellow page with the text 'SMALL BUSINESS GRANTS'. To the left is a white keyboard. Above the notebook are a pair of black-rimmed glasses and a white sticky note with two loops of a string. To the right of the notebook are two silver paper clips and a silver clip. Below the notebook is a silver marker. The background is a light-colored wooden surface.

SMALL BUSINESS GRANTS

Small Business In American Life

Roman Wölfel

Small Business In American Life:

A History of Small Business in America Mansel G. Blackford, 2003-11-20 From the colonial era to the present day small businesses have been an integral part of American life First published in 1991 and now thoroughly revised and updated A History of Small Business in America explores the central but ever changing role played by small enterprises in the nation s economic political and cultural development Examining small businesses in manufacturing sales services and farming Mansel Blackford argues that while small firms have always been important to the nation s development their significance has varied considerably in different time periods and in different segments of our economy Throughout he relates small business development to changes in America s overall business and economic systems and offers comparisons between the growth of small business in the United States to its development in other countries He places special emphasis on the importance of small business development for women and minorities Unique in its breadth this book provides the only comprehensive overview of these significant topics
