SMIRT

An Urbane Nightmare

By BRANCH CABELL

In this scolding strange book Mr. Cabell has written the only existing novel whose reality is the astounding reality of that world of dreams in which we pass a third of our lives. Lewis Carroll alone has guided his readers on a similar journey in the company of his world-famous Alice; but Alice was both immature and Victorian. Smirt, in the very mildest terms, is neither. Smirt is a modern Virginian, with the past of an experienced man of the world and the future of a pagan deity. It follows that Mr. Cabell's first full-length novel since "Something About Eve," published over six years ago, reveals pretty much everything about Eve, and about Adam too.

Here, in brief, is your chance to enjoy a Virginia Knight's dream, and to compare it with your own escapades in the lands beyond common-sense. We warn you, however, that in many of the scenes of this ironic book you will meet yourself in Smirt or Arachne, and will identify as embarrassingly familiar the Blonde Princess and Tana and Mrs. Murgatroyd, and the loquacious Black Dog on the radiator.

Smith, 2019-03-31 More than half the people in the world live in cities including a growing number of megacities with populations exceeding ten million people This trend means that an understanding of urbanization must be an urgent priority for Christian theology and mission across the globe This updated edition of Seeking a City with Foundations with an additional chapter explores Christian responses to the city ranging from rejecting the urban as evil to embracing it as being central to God's redemptive purposes Drawing from a wide range of disciplines including history social science urban planning and the history of art readers are given a detailed text which confronts the challenges that contemporary urbanization presents to world Christianity Looking at urbanism as a theme throughout Scripture culminating with the great vision of the New Jerusalem David Smith explains that God's own future is revealed as urban highlighting the need to identify modern day idols as we share the gospel in cities and acknowledge the impact of global economic forces The book also explores the causes of what has been called the divided city

and traces the urban theme through the Bible to present an alternative vision of the urban future a future in which the injustices in ever growing slums and a crisis of meaning among the privileged might be overcome through the power of the reconciling message of the cross This timely book proposes a way forward for urban mission highlighting that transformation of our cities must be the focal point of Christian mission and hope AB Bookman's Weekly ,1998 **Sonic Cool** Joe S. Harrington,2002 Book In the tradition of Nick Tosches Tom Wolfe and Lester Bangs comes an epic and riveting history of rock and roll that reads like a novel Sonic Cool presents the saga of rock and roll as the closest thing we have to genuine myth in the modern world and it is the first book about rock to be written in the spirit of rock Immense fierce opinionated and hilarious Joe Harrington masterfully presents rock as a movement of near religious proportions against a backdrop of social factors and important events such as the invention of the guitar the jukebox LSD the 12 inch phonograph record the 70s recession the Reagan Revolution and the Internet This is the history of rock as it s never been told as the legend of a massive cultural movement one that had meaning but ultimately failed because it sold its soul Radically egalitarian in its assessments towering figures such as Lennon Dylan and Cobain stand along side lesser known but equally influential artists like the MC5 the Misfits and Joy Division Sonic Cool is gripping reading for anyone who ever believed in the music Includes a 16 page black and white photo insert Joe S Harrington began writing at the age of 10 an act that provoked a rejection slip from Mad magazine He has written about music for the Boston Globe Boston Phoenix New York Press Seattle Stranger Lowell Sun Wired Reflex Raygun High Times Seconds Rollerderby and numerous fanzines He is currently employed as an on line jazz critic at Amazon and lives in Portland Maine Softcover **Mountains and Megastructures** Martin Beattie,Christos Kakalis,Matthew Ozga-Lawn,2020-12-21 This book explores the shared qualities of mountains as naturally formed landscapes and of megastructures as manmade landscapes seeking to unravel how each can be understood as an open system of complex network relationships human natural and artificial By looking at mountains and megastructures in an interchangeable way the book negotiates the fixed boundaries of natural and artificial worlds to suggest a more complex relationship between landscape and architecture It suggests an ecological understanding of the interconnectedness of architecture and landscape and an entangled network of relations Urban colonialist fictional rural and historical landscapes are interwoven into this fabric that also involves discontinuities tensions and conflicts as parts of a system that is never linear but rather fluid and organic as driven by human endeavor **The Urban World** J.
