Reading Programs for Young Adults Martha Seif Simpson, 2015-11-16 School and public libraries often provide programs and activities for children in preschool through the sixth grade but there is little available to young adults For them libraries become a place for work the place to research an assignment or find a book for a report but the thought of the library as a place for enjoyment is lost So how do librarians recapture the interest of teenagers This just might be the answer Here you will find theme based units such as Cartoon Cavalcade Log On at the Library Go in Style Cruising the Mall Space Shots Teens on TV and 44 others that are designed for young adults Each includes a display idea suggestions for local sponsorship of prizes a program game to encourage participation 10 theme related activities curriculum tie in activities sample questions for use in trivia games or scavenger hunts ideas for activity sheets a bibliography of related works and a list of theme related films The units are highly flexible allowing any public or school library to adapt them to their particular needs **Teaching U.S. History Through Children's Literature** Wanda Miller, 1998-11-15 Similar to U S History Through Children's Literature From the Colonial Period to World War II in format and approach historical fiction and nonfiction are integrated into modern U S History For each of these topics Miller suggests two or more titles one for use with the entire class and one for use with small reading groups Summaries of the books author information activities and topics for discussion are supplemented with vocabulary lists and ideas for research topics and further reading This integrated approach makes history more meaningful to students and helps them retain historical details and facts by immersing them in stories surrounding historical events A well researched and thorough resource *Integrating Aerospace Science into the Curriculum* Jerry D. Flack, Joan Ray, 1992-04-15 Combining substantive information with hands on activities this book helps you integrate space science with other curricular areas Topics range from our first contemplation of flight to rockets space shuttles hypersonic planes space colonies and space stations **The Smithsonian Book of Flight for Young People** Walter J. Boyne, 1988 A history of human flight from man's oldest dreams through the World Wars which generated rapid advances in aviation to the present jet age **Monsters Under the Bed and Other Childhood Fears** Stephen W. Garber, Ph.D., Robyn Freedman Spizman, Marianne Daniels Garber, 2011-04-13 A step by step manual designed to help parents cope with children's fears Monsters Under the Bed and Other Childhood Fears discusses common fears how to respond to childhood anxieties and other ways to deal with frightened children With the culture getting scarier and parents getting busier there is a growing need to help parents understand and cope with childhood fears This thoughtful and practical work fulfills that need extraordinarily well Stan and Jan Berenstain authors of The Berenstain Bears children's book series This book is about how to respond to your child's fears Most children experience fears of the dark strangers unidentified noises and numerous other things for a short time and then they pass By supporting your child and filling in the gaps in her knowledge you can minimize most of the normal childhood fears many children experience By preparing your child in advance for the new situations she must meet

you may be able to avoid new fears From the Introduction Praise for Monsters Under the Bed The authors of Monsters Under the Bed have created a great resource for parents to help their children The fun part is that some of the basic wisdom in this book may also apply when the occasional wayward monster slips under an adult bed Sheryl Leach president of The Lyons Group creator of Barney Fears often annoy disturb and sometimes even prevent a child from enjoying childhood At no time are fears a laughing matter This book offers parents a variety of clever suggestions on how to help their child slay the ubiquitous monsters that lurk under the bed in the hall and outside the window Today's concerned but busy parents will appreciate the straightforward yet family oriented language of this book Ted Ayllon Ph D professor of psychology and special education Georgia State University author with Mori Freed of Stopping Baby's Colic **Kirkus Children's and Young-adult Edition**, 1988
