Embracing the Infidel is a portrait of men and women moving toward a promised land they may never reach and away from a world to which they cannot return. It is an unforgettable tale of heartbreak and prejudice, courage, heroism, and hope. **The Highland Smugglers** James Baillie Fraser, 1835 *The Smugglers* Charles George Harper, 1909. Opinions have ever been divided on the question of the morality or the immorality of smuggling. This is not in itself remarkable since that subject on which all men think alike has not yet been discovered, but whatever the views held upon the question of the rights and wrongs of the free traders' craft, they have long since died down into abstract academic discussion. Smuggling is indeed not dead, but it is not the potent factor it once was, and to what extent Governments are justified in taxing or restricting in any way the export or the import of goods will not again become a living question in this country until the impending Tariff Reform becomes law. There have been those who reading the proofs of this book have variously found in it arguments for and others arguments against Protection, but as a sheer matter of fact there are in these pages no studied arguments either way, and facts are here presented just as they are retrieved from half-forgotten records with no other ulterior object than that of entertainment. But if these pages also serve to show with what little wisdom people live and generally have been governed, they may not be without their uses. England it may surely be gathered here and elsewhere is what she is by sheer force of dogged middle-class character and in spite of her statesmen and lawgivers. **The Smuggler Chief: A Novel** Gustave Aimard, 2024-01-03. *The Smuggler Chief: A Novel* by Gustave Aimard is an action-packed adventure novel that immerses readers in the wild and lawless frontier of the Wild West. Set against the backdrop of the untamed wilderness and rugged landscapes of Mexico, Aimard's storytelling transports readers on a thrilling journey filled with intrigue, romance, and danger. At the heart of the narrative is the enigmatic Smuggler Chief, a charismatic figure leading a band of outlaws through the treacherous terrain of the frontier. As the story unfolds, readers are drawn into a world of crime and pursuit where lawmen and bandits clash in a battle for survival and dominance. Aimard's vivid descriptions bring the frontier to life, capturing the essence of frontier life with authenticity and depth. Amidst the challenges of the wilderness, romance blooms, and secrets unravel, adding layers of intrigue to the fast-paced plot. With its blend of action-packed scenes, romantic entanglements, and thrilling pursuits, *The Smuggler Chief* is a gripping tale that keeps readers on the edge of their seats from beginning to end. It is a must-read for fans of adventure novels and those fascinated by the allure of the Wild West and frontier life. **Rakes & Rebels: The Raveneau Family, Collection Two: (Smuggler's Moon, The Secret of Love, Surrender the Stars)** Cynthia Wright, 2020-07-27.
