

THE GULF COOPERATION COUNCIL

Policies, Problems and Prospects

Emile A. Nakhleh

The Gulf Cooperation Council Policies Problems And Prospects

John A. Sandwick

The Gulf Cooperation Council Policies Problems And Prospects:

The Gulf Cooperation Council Emile Nakhleh, 1986-06-06 In May 1981 Saudi Arabia Kuwait Bahrain Qatar the United Arab Emirates and Oman established the Gulf Cooperation Council GCC to facilitate cooperation settle disputes and strengthen security This is the first English language book to describe the GCC and assess its impact on the security and stability of the Gulf It addresses four specific aspects of the GCC a description of the basic charter and the United Economic Agreement its structure and the policy of summitry its achievements and the challenges before it and the official popular and reformist views of its proper role

Gulf Cooperation Council: Economic Prospects and Policy Challenges for the GCC Countries International Monetary Fund. Middle East and Central Asia Dept., 2023-12-14 The GCC region's non hydrocarbon growth momentum remains strong driven by higher domestic demand increased gross capital inflows and reform implementation Oil production which depends on OPEC decisions will be subdued in the near term Inflation is contained and current account surpluses are high Fiscal balances remain healthy supported by fiscal reforms and high oil prices The primary non oil deficits are expected to decrease to 24 percent of GDP by 2028 with higher non oil revenue reflecting sustained fiscal and structural reforms and contained expenditures High global uncertainty is weighing on the outlook

Gulf Cooperation Council Achievements and Challenges Ashraf Mohammed Keshk, Mona Saad AlResais, 2025-02-15 This book is one of the few English language publications offering a comprehensive analysis of the Gulf Cooperation Council's GCC role fostering a valuable dialogue between researchers from within the GCC and those abroad It examines the GCC's achievements challenges and evolving role in fostering stability and cooperation with contributions from scholars within the GCC and internationally It broadens the discussion beyond typical political and security concerns to encompass economic cooperation regional diplomacy and interregional comparisons with ASEAN and the EU It also provides valuable insights into the importance and benefits of integrating neighboring countries like Yemen into the GCC framework The book offers researchers policy analysts students and professionals a nuanced understanding of the GCC's achievements challenges evolving impact and future potential as a model of regional integration in a politically complex environment This edited collection includes papers presented at the 13th Gulf Research Meeting 2023 which was directed by the Editors

Gulf Cooperation Council (GCC) - Economic Prospects and Policy Challenges for the GCC Countries International Monetary Fund, 2013-11-13 The global and regional economic environment remains challenging Global growth remains tepid and although some pick up is expected risks are tilted to the downside Recent volatility in financial markets is having a significant impact on some large emerging markets highlighting the challenges that will be faced in unwinding the Federal Reserve's quantitative easing policy Geopolitical uncertainties in the Middle East are also high

The GCC and the International Relations of the Gulf Matteo Legrenzi, 2015-07-31 The Gulf Cooperation Council GCC made up of Saudi Arabia Bahrain Kuwait Oman Qatar and the United Arab Emirates UAE is one of the most resilient sub regional organizations in the

world and the most successful in the Arab world it has been the forum through which much security cooperation in this volatile sub region has taken place as well as the main representative for the UAE's territorial dispute with Iran over the Abu Musa and Tunbs islands the organization aims to enhance defence cooperation between its member states it also has significant potential to foster economic integration and to present an alternative form of leverage over the international oil markets Very little is known however about how the organization really works how decisions are actually taken as opposed to how this process is formally articulated in its charter and what the GCC's real impact on member states the Gulf and international relations is Drawing on cutting edge theoretical perspectives as well as unique firsthand access to GCC decision makers Matteo Legrenzi explains the mechanisms of Gulf cooperation and its limitations in the context of economic globalization diplomatic regionalization and the rise of Iran Combining historical context primary source investigations and theoretical analysis this is a comprehensive guide to the GCC and an indispensable resource for anyone concerned with the Gulf and the Middle East

The Gulf Cooperation Council John A. Sandwick, 2019-06-26 The Gulf Cooperation Council represents both a model of development and unity in the Arab world and a working example of interstate cooperation to other nations In this volume contributors describe the rationale for Gulf unity and cooperation and analyze the financial economic and legal institutions of the GCC member states Saudi Arabia Kuwait the United Arab Emirates Oman Bahrain and Qatar They focus on the GCC's role in maintaining stability in the Arabian peninsula an area that is clearly vital to U.S. interests Contributors pinpoint the essential elements of GCC unity including its efforts to obtain optimum economic self sufficiency to maximize market share and revenue from oil production and to establish an integrated legal framework The GCC's unique security needs given the member states vast combined area and thinly spread populations are also discussed An overview of the strategic interests and policies of both superpowers toward the region reveals a history of decline in their influence and prestige that is a result it is argued of misperceptions and misguided policies Finally documentation and bibliographic sections enhance the book's usefulness as a handbook on the GCC and the Arabian Gulf states

The Gulf and International Security Mohammed E. Ahrari, 1989-06-18 A perspective on the countries involved in the Gulf conflict dealing with the oil price dynamics the Reagan administration's dealings with Saudi Arabia Gorbachev's new politics and its implications conflicts among the Arab sheikhdoms and the impact of the Iran Iraq War

From Alliance to Union Joseph A. Kéchichian, 2016-05-24 After the conservative Arab Gulf Monarchies Bahrain Kuwait Oman Qatar Saudi Arabia and the United Arab Emirates UAE joined forces on 25 May 1981 within the Gulf Cooperation Council GCC few fathomed that security requirements on and around the Arabian Peninsula would be so precarious and for so long To answer their search for permanent stability Arab Gulf rulers erected a regional alliance that sought to integrate internal and regional defences as well as strengthen their existing socio economic ties Several of the monarchies even hoped that coordination on foreign policy issues over which near unanimity existed could eventually lead to a full fledged union as envisaged in the organisation

s founding charter Between 1981 and 2015 these Arab Gulf monarchies experienced major socio political transformations resulting from upheavals throughout the Arab and Muslim worlds The perceived necessity to bring about a full fledged union has come into conflict with entrenched viewpoints from regimes that value traditional military political roles and norms In this new study Joseph A Kechichian provides an evaluation of GCC States military institutions to better evaluate whether a stable alliance is capable of enduring over the next few decades and how civilian leaders perceive the role and influence of their military officers for the task Kechichian raises fundamental questions over internal regional and international threats including an existential challenge emanating from the Islamic revolutionary government of Iran and assesses how GCC professionals may be preparing to tackle them He further elucidates on the best methods to meet security challenges not only to secure political survival but also to determine whether conservative Arab Gulf regimes can flourish outside an effective alliance The volume concludes with an examination of evolving civil military relations in the GCC States **Energy**

Abstracts for Policy Analysis ,1988 **Saudi Arabia, the West and the Security of the Gulf** Mazher A.

Hameed,2025-04-01 Saudi Arabia the West and the Security of the Gulf 1986 considers the geopolitical environment of the Arab Gulf and the nature and threats to Western interests in the region It also examines the political economic and other Gulf resources that can be marshalled to protect those interests
