Fede,2017-07-15 This comparative study looks at the laws concerning the murder of slaves by their masters and at how these laws were implemented Andrew T Fede cites a wide range of cases across time place and circumstance to illuminate legal judicial and other complexities surrounding this regrettably common occurrence These laws had evolved to limit in different ways the masters rights to severely punish and even kill their slaves while protecting valuable enslaved people understood as property from wanton destruction by hirers overseers and poor whites who did not own slaves To explore the conflicts of masters rights with state and colonial laws Fede shows how slave homicide law evolved and was enforced not only in the United States but also in ancient Roman Visigoth Spanish Portuguese French and British jurisdictions His comparative approach reveals how legal reforms regarding slave homicide in antebellum times like past reforms dictated by emperors and kings were the products of changing perceptions of the interests of the public of the individual slave owners and of the slave owners families heirs and creditors Although some slave murders came to be regarded as capital offenses the laws consistently reinforced the second class status of slaves This influence Fede concludes flowed over into the application of law to free African Americans and would even make itself felt in the legal attitudes that underlay the Jim Crow era **Slavery , In a Sea of Empires** Jeppe Mulich,2020-07-09 A history of imperial competition colonial cooperation and revolutionary currents in the maritime borderlands of the early nineteenth century Caribbean

*Readings in Caribbean History and Culture* D.A. Dunkley,2011-12-08 This collection of eleven essays is designed to highlight some important new voices who have been doing research on the general subject areas of the history and culture of the Caribbean The essays in this volume also address a number of themes which are critical to developing an understanding of current scholarly work on the two broad subject areas Among the themes examined are colonialism slavery and the

involvement of the Christian Church in both colonial rule and enslavement The essays also analyze the pre independence and post independence periods of the twentieth century with examinations on topics that include prostitution departmentalization education visual art and the musical form known as Reggae The purpose of this book is to stimulate discussion around these important topics based on the perspectives of a number of new scholars The book is also designed as a teaching device principally for courses focusing on Caribbean society whether in the past or the present

**Legal Pluralism and Empires, 1500-1850** Richard J. Ross, 2013-07-22 Historians used to imagine empire as an imperial power extending total domination over its colonies Now however they understand empire as a site in which colonies and their constitutions were regulated by legal pluralism layered and multicentric systems of law which incorporated or preserved the law of conquered subjects By placing the study of law in diverse early modern empires under the rubric of legal pluralism *Legal Pluralism and Empires 1500 1850* offers both legal scholars and historians a much needed framework for analyzing the complex and fluid legal politics of empires Contributors analyze how ideas about law moved across vast empires how imperial agents and imperial subjects used law and how relationships between local legal practices and global ones played themselves out in the early modern world The book s tremendous geographical breadth including the British French Spanish Ottoman and Russian empires gives readers the most comparative examination of legal pluralism to date Lauren Benton is Professor of History Affiliated Professor of Law and Dean of the Graduate School of Arts and Science at New York University Her books include *A Search for Sovereignty Law and Geography in European Empires 1400 1900* and *Law and Colonial Cultures Legal Regimes in World History 1400 1900* Richard J Ross is Professor of Law and History at the University of Illinois Urbana Champaign and Director of the Symposium on Comparative Early Modern Legal History With Steven Wilf he is currently working on a book entitled *The Beginnings of American Law A Comparative Study*

*Our British Virgin Islands* Claudia Colli, 1983 *The Blood Never Dried* John Newsinger, 2006 Newsinger challenges the claim that the British Empire was a kinder gentler empire and suggests that the description rogue state is more fitting In a wonderful popular history of key episodes in British imperial history he illustrates the darker side of the glory years Britain s deep involvement in the Chinese opium trade Gladstone s maiden parliamentary speech defending his family s slave plantation in Jamaica paying particular attention to the strenuous efforts of the colonised to free themselves of the motherland s baleful rule
