Steel Fibre Reinforced Concrete Xavier Destrée, 2025-04-25 Steel fiber reinforced concrete SFRC for structures dates back to 1925 yet it remains largely unknown to many engineers and contractors Essential information is often buried in codes reports and standards This book presents the essential information required by engineers to utilize SFRC effectively achieving superior results across a range of applications The focus is on its most common use in flat horizontal cast in situ applications such as ground bearing slabs ground suspended slabs suspended elevated slabs and raft slab foundations for buildings which present more opportunities than three dimensional structures Prefabrication and paving are discussed where they intersect with these main applications Material and structural testing are addressed to guide the design for these typical applications with attention also given to shrinkage cracking fire resistance of slabs and walls and environmental benefits alongside future opportunities and challenges This unique book provides simple practical guidance for designing and placing SFRC It is especially helpful for design and build contractors and professional engineers It offers simple tools and methods to launch a project

Fred Lodge's Diaries L/Cpl Frederick Thomas Lodge, 2019-06-10 The wartime diaries of Fred Lodge underscore his perilous passage through World War 2 including the Dieppe Raid and three years as a POW in Germany Fred was a quiet kind considerate and courageous young Canadian who trained in Canada as an infantry soldier practiced his military skills in England waded onshore at Pourville France on August 19th 1942 survived intense German gunfire saw his buddies killed maimed indeed slaughtered Somehow he survived that awful day at Dieppe and was transported to Stalag VIIIB and later to Stalag IIC in eastern Germany As a POW he was often hungry bored shamed shackled witnessed summary executions and was forced to participate in a death march in early 1945 Through it all Fred Lodge was courageous and true to his beliefs no matter what obstacles temptations or mistreatment came his way He always did his best and the right thing Fred didn't hate Germans although he had no respect for inhumane NAZI zealots With the Russian Army fast approaching Canadian POWs were evacuated westwards in January 1945 in bone chilling cold and snow Over four months they were marched west with little food no warm clothing little shelter and no reason to think they might survive However Fred and most of his fellow POWs did survive and in late April 1945 they were liberated and returned to England Somehow Fred Lodge remained the same quiet kind considerate and courageous man he was at the beginning This story as told by Fred Lodge himself is a gripping tale He passed through the hell of war and emerged whole could you do the same

Engineering Mechanics ,1890 *Catalogue* Montgomery Ward,1928 **Playthings** ,1923 *The Great War* Ian F. W. Beckett,2014-01-14 The course of events of the Great War has been told many times spurred by an endless desire to understand the war to end all wars However this book moves beyond military narrative to offer a much fuller analysis of the conflict's strategic political economic social and cultural impact Starting with the context and origins of the war including assassination misunderstanding and differing national war aims it then covers the treacherous course of the conflict and its

social consequences for both soldiers and civilians for science and technology for national politics and for pan European revolution The war left a long term legacy for victors and vanquished alike It created new frontiers changed the balance of power and influenced the arts national memory and political thought The reach of this account is global showing how a conflict among European powers came to involve their colonial empires and embraced Japan China the Ottoman Empire Latin America and the United States

The Manufacture and Properties of Structural Steel Harry Huse Campbell, 1896 The Age of Steel , 1895 Mersey Built: The Role of Merseyside in the American Civil War Robert Thorp, 2018-04-10 Mersey Built chronicles the little known commercial battle that raged between North and South during the American Civil War The South relied on Europe for its military supplies which the North tried to stop with a naval blockade of all Southern ports The South retaliated by destroying Northern merchant ships on the high seas using war ships secretly procured from British shipyards and smuggled out of Britain by sympathetic British captains using British crews The Charleston based business empire headed by George Trenholm provided a conduit for Confederate finance with its Liverpool branch acting as bankers for the Confederacy's procurement agents Merseyside with its extensive docks and numerous shipyards quickly became the epicenter of Confederate operations in Europe Several British businessmen bought ships specifically to run supplies through the Union blockade leaving relationships between the United States and Britain strained close to breaking point The book relates the history of Trenholm's commercial empire its pre war expansion into Liverpool and the pivotal role it played in supporting the Confederate war effort The involvement of other Liverpool based entrepreneurs and their successes and failures in blockade running is described Background histories of the Merseyside ship builders who constructed warships and blockade runners for the Confederacy are included as well as several mini biographies of the Liverpool based captains who smuggled out warships and braved the Union blockade Details of each ship built on Merseyside for involvement in the Civil War are listed The role of the United States consular service and its extensive Liverpool based spy ring is described as are the efforts of the United States ambassador in London to influence British government policy on neutrality The author a direct descendant of a Liverpool ship builder and a blockade running captain brings new insights and previously unpublished facts to light in this fascinating chapter of history
