The Heart Of Loving:

The Heart of Love (Large Print 16pt) John F. Demartini, 2011-04 Grounded in John Demartini's much loved teachings *The Heart of Love* helps you apply his trail blazing philosophy and revolutionary understanding of human behavior specifically to your relationships. If you're looking for your soul mate, want to reignite the spark in a longtime relationship, seeking to safeguard your marriage from infidelity, or are committed to creating more authentic friendships, family connections, and business relationships, then this book is for you. This book helps you understand what really drives human behavior in romance, business, and families, and assures you that you can have the kind of relationships you'd love to have, whether they're lasting or brief, intensely intimate or just for fun. Ultimately, this book aims to inspire you to fulfill the true purpose of your relationships, to wake you up to your own wholeness, the divine magnificence present in every human soul. It invites you into the heart of love, which transforms any relationship into one of gratitude and true fulfillment. **The Heart of Loving**

Eugene C. Kennedy, 1973 *The Heart of Love* Joshua Miller, 2009-02 Love is the very nature of God. It is the essence of his sanctity. It is the something of his divinity that permeates our very existence. It is through him and in him that creation was given life. By looking upon Christ, we see the love of God. By accepting Christ's nature, we come into the truth of that love. God is love. If this book doesn't change your mind, it will still change your heart. Amidst the toils and spoils of the world, and the shadow cast by our many grievances, we often forget the joy of dwelling in simple love. Joshua Miller's debut book *Heart of Love* explores the wisdom and virtue of being a person of love. Read about love. Love is in this book; it waits for you. This book is a destroyer, a creator, and a healer. For love is all of these. Love will destroy falsehood. It will heal old wounds. And it will create new worlds of goodness and possibility. Come to the siren song of love. Dance in its flow. Let your eyes meet its words. Let your heart embrace the light. This book, this little lantern, will shine into your heart. It will add to that light that is already in you, that transcendent light that pushes the darkness into oblivion. Interweaving unique poetic tones within his wisdom-filled study, Miller takes readers beyond simple surface acceptance and into the cavernous riches found within love. These words are for you. The prime nature of this book is love. It wakes you. It is alive with the spirit of love; may it resound in your soul as you read it.
