The Heavenly Host:

The Heavenly Host Beatrice Lowry, 2020-03-23 Bea Lowry's *The Heavenly Host* is dedicated to helping people live a life after God's own heart. A running theme within this writing is developing a consistent lifestyle of holiness as unto the Lord. This is her first offering and it is designed to focus on God's priorities in an effort to simplify righteous living for all believers. She has a deep appreciation for the study and proper application of God's truth to our daily lives. Readers will be drawn in with an altar call, proceed through scripture as the author shares revelations found throughout the bible, and end their journey with a passionate cry for true mothers within the body of Christ. Ms Lowry invites readers to join her along this journey in an approachable and conversational format that is a reflection of quality time spent with the Lord. Meghan Rivers M Div Light of Life International Ministries Inc. **Angels the Heavenly Host** Derrick Reeves, 2015-03-22 The word of the Lord is our source material for everything that is needed to learn about angelology, divinal studies or any other subject that is spiritually related. When the term angel is utilized it can express several concepts and many other terms such as Angele, Old French Angelus, Late Latin Angelos, Greek Malak, Babylonish and Malakh, Hebrew. The term angel when translated literally means messenger. It is believed to be of Iranian origin. The Persian word is kin to the Greek term angaros which was an imperial Persian courier. This term has been traced back to the ancient Sanskrit angiras which was one of a group of luminous divine beings. When the term is considered it refers to a supernatural spirit in the Persian, Jewish, Christian and Islamic theologies. A spiritual divine being that acts as a divine intermediary as well as a special guardian of an individual or nation. A member of any order of the heavenly hierarchy. An attendant spirit or guardian. One who is a messenger or harbinger. The heavens are filled with many beings and there are untold mysteries in heaven. The subject of angels is very precise and can be very vast. The scripture perhaps will unlock even more information concerning the angels and their various tribes and dwelling places. One thing is for certain there is much for the Church to learn concerning angels, the heavenly hosts. This text seeks to give a Biblical explanation of what angels are and their associated various duties.

Angels Michael S. Heiser, 2018-09-19 What does the Bible really tell us about the heavenly host? Everyone knows that angels have wings, usually carry harps, and that each of us has our own personal guardian angel, right? We all have some preconceptions about angels from movies, television shows, and other media, but you might be surprised to know that a lot of those notions aren't based on anything from the Bible. If you read Luke 1:26-38 and imagine the angel Gabriel standing before Mary with neatly folded white wings, you're not getting that picture from anything the Bible itself says. What the Bible really says about angels is overlooked or filtered through popular myths. This book was written to help change that. It's a book about the loyal members of God's heavenly host, and while most people associate them with the word angel, that's just one of many terms the Bible uses for supernatural beings. In *The Unseen Realm*, Michael Heiser opened the eyes of thousands to seeing the Bible through the supernatural worldview of the ancient world. It was written in. In his latest book *Angels Dr*

Heiser reveals what the Bible really says about God's supernatural servants. Heiser focuses on loyal, holy, heavenly beings because the Bible has a lot more to say about them than most people suspect. Most people presume all there is to know about angels is what has been passed on in Christian tradition, but in reality that tradition is quite incomplete and often inaccurate. Angels is not guided by traditions, stories, speculations, or myths about angels. Heiser's study is grounded in the terms the Bible itself uses to describe members of God's heavenly host; he examines the terms in their biblical context while drawing on insights from the wider context of the ancient Near Eastern world. The Bible's view on heavenly beings begins with Old Testament terms but then moves into literature from the Second Temple period: Jewish writings from around the fifth century BC to the first century AD. This literature from the time between the Old Testament and the New Testament influenced the New Testament writers in significant ways. With that important background established, the book focuses on what the New Testament tells us about God's holy ones. Finally, the book reflects on common misconceptions about angels and addresses why the topic is still important and relevant for Christians today.

The Multitude of the Heavenly Host Lewis Pyle Mercer, 1890

Lie Greg Harris, 2021-10-26 If you have not seen the massive differences of interpretation between the premillennial understanding of Scripture versus the amillennial, we will clearly view both positions side by side with their supporting quotes from some of their stalwarts. We will set forth different approaches to Scripture as we study the Book of Revelation and these are not some minor issues. So much of how one interprets Scripture ties in with those views.

Heaven Paula Gooder, 2011-09-12 Heaven is one of those great mysteries that somehow symbolize what we don't know about ourselves and the world around us. At the same time it lifts our vision from the mundane realities of our everyday lives and reminds us that beyond the daily grind of our existence there is another unseen reality. A reality that is as real if not more so than our everyday lives. Heaven suggests an answer to the familiar human feeling that there must be more than this and prompts us to wonder whether there is indeed more in heaven and earth than can be dreamt of in all our philosophies.

God in Us Dr. John Sjostedt, 2018-07-03 In his lives, author Dr. John Sjostedt has been a soldier and a priest as well as a farmer in Iraq, a squaw with children, an Indian Sadhu, and many other incarnations. These experiences have given him a larger understanding of the world. With this sweeping knowledge, he shares a thought-provoking and spiritually enriching look on religion and its iterations. Through the collection of writings in *God in Us*, Sjostedt addresses an array of topics including Creation, The Law of Intended Consequences, and free will. Modifying and moderating free will, The Jews and the Essenes, Jesus, the origins of Christianity and the Bible, The divinity of Jesus and the Christian church, Parallels between Christianity and Paganism, God in us, Attaining enlightenment, The presence of evil, When God becomes wanton, Lucifer's tale. In *God in Us*, Sjostedt begins to unravel the content of Jesus' true gospel. An agnostic, Sjostedt argues God is an unprovable hypothesis. He cannot prove he exists, but others cannot prove he doesn't. However, the beauty of the world attests to the hand of God. God is the one power in from whom all life and matter evolve.

The Age of Creation

Elder Michael Ray Alkire,2024-12-24 The Age of Creation is based on the King James version of the Holy Bible with proper interpretations through the additions of the original Hebrew words and the translated Greek text It is provided for the whole world to read by which hopefully the reader will gain a more correct understanding of the faith of Abraham that began the entire belief in one Elohim About the Author Elder Michael Ray Alkire began life in humble beginnings and upbringings but his life spiraled out of control as he grew older until he was no longer the person he used to be He is currently a ward of the state of Iowa an incarcerated individual by his own deeds Shortly before his incarceration he was at the lowest point of his life and sought to end it once and for all until the heavenly Father intervened Today he stands as a witness to the Word of Yahweh our Heavenly Father and Creator that his life may find purpose through His will upon my life Many people may perceive that Alkire wrote this book for his own personal redemption but that is incorrect He wrote this book in hopes of helping reveal the truth of God s Word independently of any indoctrination by a university or college He hopes that all may find peace and contentment in His Word and that our heavenly Father gives mercy to all who seek Him through the acceptance of the price paid by His Son *God, Tsar, and People* Daniel B. Rowland,2020-11-15 God Tsar and People brings together in one volume essays written over a period of fifty years using a wide variety of evidence texts icons architecture and ritual to reveal how early modern Russians 1450 1700 imagined their rapidly changing political world This volume presents a more nuanced picture of Russian political thought during the two centuries before Peter the Great came to power than is typically available The state was expanding at a dizzying rate and atop Russia s traditional political structure sat a ruler who supposedly reflected God s will The problem facing Russians was that actual rulers seldom or never exhibited the required perfection Daniel Rowland argues that this contradictory set of ideas was far less autocratic in both theory and practice than modern stereotypes would have us believe In comparing and contrasting Russian history with that of Western European states Rowland is also questioning the notion that Russia has always been and always viewed itself as an authoritarian country God Tsar and People explores how the Russian state in this period kept its vast lands and diverse subjects united in a common view of a Christian polity defending its long frontier against powerful enemies from the East and from the West **Wow, I Want What They Have!** Pastor K. Bruce Brown,2022-12-22 We cannot relate to a spirit God a spirit Savior a spirit Uncle and a spirit enemy without embracing the spirit world This book coined the phrase Earth life Bias ELB to identify the enemy s work in our daily lives and illustrate how most believers just add our Abba Father as an accessory to this life instead of becoming citizens of Heaven and members of his Family This book illustrates how pervasive ELB is in every aspect of our lives without criticizing any person organization or denomination They all serve our Abba Father s purpose and all have Romans 10 in their Holy Bibles which shows us how to avoid the fiery pit The rest of the Scripture is about our relationships Esoteric knowledge of the Scripture is for scholars we need to apply it to our lives After revealing the ELB in our lives we explain how to escape it by embracing the supernatural divine spirit world and how the

godly control system the heart mind spirit soul connection with the Holy Spirit Jesus and our Abba Father works With that foundation we show how build our faith relationships and marriages converting for better or worse to sanctified marriage with vows to our Abba Father to do it his way There is also a section on Daniel which brings our Abba Father into modern times explains what is taking Jesus so long to get here and answers a lot of questions about end times This section is work but it is a giant faith builder as you will see But regardless of where we worship we are individually responsible for own relationship with our Abba Father and this book will help any believer grow their faith and experience the full joy peace and glory our Abba Father created for us
