The Keys Of Jeshua:

The Keys of Jeshua Glenda Green,2004-10 There are keys that open doors to astounding perceptions and higher states of being These keys have now been revealed The Keys of Jeshua is the culminating presentation of the conversations between artist Glenda Green and Jesus Christ that took place in 1992 while she painted his portrait He personally appeared to her He has appeared many times to others since the day of his resurrection Their visits were warm personal and completely vivid to all the senses She took extensive notes for her own future study not realizing that he would eventually ask her to share them with the world The Keys of Jeshua presents the remaining notes from their original conversations plus the continuing lessons of subsequent years More than that it stands alone as a perfected light of what his teachings have always been These are the quintessential instructions of the Beloved Master now presented within the context of contemporary language and modern understanding Each chapter begins with a message from Jeshua Each message presents a crucial Key to Life Following that there is a contribution from the author correlations with the Bible other words of wisdom and practical applications to life Last but not least for subjective realization of the message each chapter ends with a meditation and prayer It is

recommended that you enjoy this book with all your faculties of understanding from objective to subjective and allow a holistic perception of these revelations to develop in your heart *The Keys of Jeshua* Glenda Green,2006-01 There are keys that open doors to astounding perceptions and higher states of being These keys have now been revealed The Keys of Jeshua is not about religion Nor was it written to solicit reinforce or change existing beliefs These teachings are a gift to your heart for the fulfillment of your life Discover the courage to be fully conscious Unlock your creativity Fulfill the desires of your heart Learn how to enter the Sacred Heart and know your souls true purpose Learn to release forgive and receive the ultimate blessing of true freedom Gain enlightenment and practical techniques to bring this new understanding into reality Find peace within yourself

The Sum Of All Spiritual Paths Orest Stocco,2014-12-08 Open your heart to God s love and you will get all the respite you need It is not that difficult Whenever I was down in the dumps I prayed You don t pray because it is not in you to beg God for help but you can open your heart to God and let God s love pour into you That is the way of the open heart Here s what you do think of all the times you loved and let your heart fill with those memories Think of one time one moment of love and just let the love fill your heart again that s the exercise It is your prayer Don t ask for anything more because God s love is all there is I am always with you my dear friend Chapter 35 Padre Pio s Promise

RIVER OF TRUTH Rev John Robert Thwaytes, There are a vast number of superhuman persons in the spiritual realm created perfect but having free will like us and therefore capable of turning towards evil Among them were Lucifer Satan and Caligastia for example They are not God but when they function perfectly in tandem with God they may be referred to as God or the Good Shepherd as in Psalm 23 Significantly the majority of them the good ones tell us that they first recognize the FACT of God by His River of inexhaustible energy Meditating on this led me to put my thoughts down in this book partly for

my own spiritual good But I am happy to share them *Prisoner of Words* Michael E Morrison,2012-03-07 Can we use words to make ourselves feel and actually be better Michael Morrison certainly thinks so and in this insightful guide he tells us about the transformational power of language In doing so he delves into such concepts as neuro linguistic programming NLP Lamarckian evolution theory the Biology of Belief Cell Level Healing the power of prayer in health as well as sickness the Gaia Hypothesis and Earth Hour As current concerns move from the individual to the global our well being is seen as holistic rather than localised Can we use positive thoughts and frame positive words to change ourselvesand ultimately help our world flourish Read *Prisoner of Words* and discover a new approach to old problems *The Pearl of Great Price* Orest Stocco,2015-03-05 Stories bear the truth of the human condition and the human condition is the story of our becoming but not until we solve the riddle of our becoming will literature resolve the issue of the human condition This makes literature endlessly fascinating because every writer speaks to their place in the enan tiodromiac process of man s becoming which Jung called individuation and in their stories they stake out the geography of man s soul whether it be the happy country of one s being the unhappy country of one s non being or that miserable place of being stuck between two countries the no man s land of one s soul Chapter 18 The Dust on a Butterfly s Wings *Envoy* Paul Herman,2021-12-01 Truly I say to you there are some standing here who will not taste death until they see the Son of Man coming in his kingdom Jeshua Matthew 16 28 So begins the story of Envoy transformed by Jeshua in that moment and called to write a firsthand account of the Church in all her glory and shame throughout the ages **The Golden Fleece Found!** Basil C.
