

The Keystone of MORMONISM

Little Known Truths
about the Book of Mormon

The cover features a painting of a man in a dark suit kneeling on the left, looking up at a woman in a long white dress standing on the right. The woman is holding a book and gesturing with her right hand. The background is a warm, golden-brown landscape with a large, glowing light source, possibly the sun or moon, creating a dramatic atmosphere. The overall style is reminiscent of 19th-century religious art.

The Keystone Of Mormonism:

The Keystone of Mormonism Paul R. Cheesman, 1973 *The Keystone of Mormonism* Arza Evans, 2003 The Keystone of Mormonism is one of the most powerful books ever written exposing the differences between Mormonism and traditional Christianity It presents excellent reasoning and scientific evidence that The Book Of Mormon a major Mormon missionary tool is not sacred ancient American history as claimed by Mormons but a clever nineteenth century fraud **The ^AOxford Handbook of Mormonism** Terryl L. Givens, Philip L. Barlow, 2015-10-01 For this handbook Terryl Givens and Philip Barlow two leading scholars of Mormonism have brought together other top people in the field to construct a collection of essays that offers a comprehensive overview of scholarship on Mormons **7 Reasons We Left Mormonism** Michael Wilder, Lynn Wilder, 2012-09-10 Former Mormons Michael and Lynn Wilder share the 7 reasons that led them from over 30 years of devout Mormon involvement to biblical Christianity From Michael s leadership to determine if a person was Temple worthy to Lynn s role as tenured professor at Mormon owned BYU you ll discover the beliefs that changed their heart and mind as they examined the Bible s words for themselves Mormonism Terryl Givens, 2020-08-05 Mormonism or the Church of Jesus Christ of Latter day Saints is America s most successful and most misunderstood home grown religion The church today boasts more than 15 million members worldwide a remarkable feat in the face of increasing secularity The growing presence of Mormonism shows no signs of abating as the makeup of its membership becomes progressively diverse The heightened contemporary relevance and increasingly global membership of the Church solidifies Mormonism as a religious group much deserving of awareness Covering the origins history and modern challenges of the church Mormonism What Everyone Needs to Know offers readers a brief authoritative guide to one of the fastest growing faith groups of the twenty first century in a reader friendly format providing answers to questions such as What circumstances gave rise to the birth of Mormonism Why was Utah chosen as a place of refuge Do you have to believe the Book of Mormon to be a Latter day Saint Why do women not hold the priesthood How wealthy is the church and how much are top leaders paid Written by a believer and the premier scholar of the Latter day Saints faith this remarkably readable introduction provides a sympathetic but unstinting account of one of the few religious traditions to maintain its vitality and growth in an era of widespread disaffiliation The Mormon Delusion Jim Whitefield, 2009-03-21 The first in a series of books comprising an expos of the Mormon Church The Church of Jesus Christ of Latter Day Saints This volume concentrates on polygamy and little known polyandry which is hidden from rank and file Mormons Historical evidence proves the Mormon Church has rewritten its own history through lies suppression omission and interpolation such that the truth is so well hidden from members unless they look outside the Church for information they will never know of the continued conspiracy to deceive them Contains over 120 pages of appendices including complete lists and analysis of all the wives and families of Joseph Smith Brigham Young and Heber C Kimball highlighting polyandrous relationships and children born into those unions plus details of over a hundred children born post

Volume 5. Doctrine and Covenants - Deception and Concoctions** Jim Whitefield,2012-02-15 Volume five in The Mormon Delusion series investigates the early Mormon Lectures of Faith comparing the doctrines of the time with the teachings of today which are entirely different It then analyses each Section of the Doctrine and Covenants while searching for Joseph Smith prophecies which are evaluated in terms of any evidence of fulfilment It will come as no surprise to learn that none have any prophetic value or merit whatsoever However there is plenty of evidence of Smith s fraud scattered throughout the D C which is analysed at each stage **The Mormon Delusion. Volume 4. the Mormon Missionary Lessons - A Conspiracy to Deceive.** Jim Whitefield,2012-10-01 The fourth in The Mormon Delusion series tracks the Mormon Missionary Lesson Manual as taught to investigators and lesson by lesson exposes and explains the truth behind the false teachings At every stage unsuspecting investigators are taught a fictional account of Mormon history and teachings by faithful missionaries who themselves have no idea they are teaching provable fiction This book exposes the underlying truth behind Joseph Smith s original fraudulent claims and modern day fictional Mormon teachings Evidence from within Mormon Church history and Mormon so called scripture proves conclusively that the Mormon Church continues in a conspiracy to deceive its own members missionaries and their investigators alike At the end of a journey through this book there will be nothing left for an investigator to take to the Lord in prayer in order to obtain an answer as to whether what the Mormon Church teaches is true Common sense and reason alone will be enough to determine the truth of the matter **The Mormon Delusion. Volume 1. Paperback Version** Jim Whitefield,2012-08-01 The first in a series of books comprising an expos of the Mormon Church The Church of Jesus Christ of Latter Day Saints This volume concentrates on polygamy and little known polyandry which is hidden from rank and file Mormons Historical evidence proves the Mormon Church has rewritten its own history through lies suppression omission and interpolation such that the truth is so well hidden from members unless they look outside the Church for information they will never know of the continued conspiracy to deceive them Contains over 120 pages of appendices including complete lists and analysis of all the wives and families of Joseph Smith Brigham Young and Heber C Kimball highlighting polyandrous relationships and children born into those unions plus details of over a hundred children born post 1890 to polygamous wives of General Authorities who violated their own canonised Manifesto after they had covenanted to stop the practice Visit www.themormondelusion.com for further information **Book of Mormon Study Guide, Pt. 1** Randal S.
