The Kid From Brooklyn:

Brooklyn Michael W. Robbins, Wendy Palitz, 2001-01-01 A celebration of Brooklyn features more than one hundred original articles that tap into the life of America's Hometown *Combat Death in Contemporary American Culture* Agnieszka Soltysik Monnet, 2020-12-16 *Combat Death in Contemporary American Culture* Popular Cultural Conceptions of War since World War II explores how war has been portrayed in the United States since World War II with a particular focus on an emotionally charged but rarely scrutinized topic combat death Agnieszka Soltysik Monnet argues that most stories about war use three main building blocks melodrama adventure and horror Monnet examines how melodrama and adventure have helped make war seem acceptable to the American public by portraying combat death as a meaningful sacrifice and by making military killing look necessary and often even pleasurable Horror no longer serves its traditional purpose of making the bloody realities of war repulsive but has instead been repurposed in recent years to intensify the positivity of melodrama and adventure Thus this book offers a fascinating diagnosis of how war stories perform ideological and emotional work and why they have such a powerful grip on the American imagination **The Brooklyn Film** John B. Manbeck, Robert Singer, 2010-06-28 Brooklyn New York a borough of New York City is known for its distinctive vernacular its communal feel on the fringes of a booming city and its famous bridge a gateway to the unlimited opportunities in Manhattan Of course Coney Island deserves a mention as it garners its own fame independent of Brooklyn its parent locale New York City moviemaking got its start in Brooklyn when Charles E. Chinnock shot his silent film in 1894 Since then many films have been made studios opened and stars born in Brooklyn contributing to its undeniable influence in the film industry This work is a collection of essays on the topic of Brooklyn as portrayed in film It includes a discussion of race relations in films dealing with Brooklyn the story of Jackie Robinson as shown on film the changing face of cinematic Brooklyn and some thoughts on a Brooklyn filmgoer's experience The combination of Brooklyn and baseball in the films of Paul Auster is examined as well as the typical portrayal of a Brooklyn native in film Forties Film Funnymen Wes D. Gehring, 2014-01-10 The twelve classic comedy films examined within these pages are distinguished by an equal number of defining comic performances Ranging from *The Great Dictator* 1940 to *A Southern Yankee* 1948 each film focuses on the most central theme of clown comedy Resilience the encouragement or hope that one can survive the most daunting of life's dilemmas even during the war-torn 1940s And each film can be regarded as a microcosm of the antiheroic world of its central clown or clowns Among the performers represented are Charlie Chaplin W. C. Fields Abbott and Costello Jack Benny Eddie Bracken Bob Hope Bing Crosby Danny Kaye the Marx Brothers Harold Lloyd and Red Skelton This lavishly illustrated work includes an introduction by noted film critic and historian Anthony Slide **THE KID FROM BROOKLYN** Don Hartman, Melville Shavelson, 1946 **World War II and the Postwar Years in America** William H. Young, Nancy K. Young, 2010-09-17 More than 150 articles provide a revealing look at one of the most tempestuous decades in recent American history describing the everyday

activities of Americans as they dealt first with war and then a difficult transition to peace and prosperity The two volume World War II and the Postwar Years in America A Historical and Cultural Encyclopedia contains over 175 articles describing everyday life on the American home front during World War II and the immediate postwar years Unlike publications about this period that focus mainly on the big picture of the war and subsequent economic conditions this encyclopedia drills down to the popular culture of the 1940s bringing the details of the lives of ordinary men women and children alive The work covers a broad range of everyday activities throughout the 1940s including movies radio programming music the birth of commercial television advertising art bestsellers and other equally intriguing topics The decade was divided almost evenly between war 1940 1945 and peace 1946 1950 and the articles point up the continuities and differences between these two periods Filled with evocative photographs this unique encyclopedia will serve as an excellent resource for those seeking an overview of life in the United States during a decade that helped shape the modern world **Nobody's Fool** Martin

Gottfried,2002-06-07 Gottfried's capably researched and recounted biography offers a none too flattering glimpse into Kaye's well guarded personal life including his egotism cruelty his strained marriage and his flirtations and affairs His career is treated in detail from his obvious early talent to the creation of his acting personae and his sad professional and personal decline before his death in 1987 Lacks a bibliography Annotation copyright by Book News Inc Portland OR **Hollywood**

Musicals Steven Cohan,2019-09-16 Hollywood Musicals offers an insightful account of a genre that was once a mainstay of twentieth century film production and continues to draw audiences today What is a film musical How do musicals work formally and culturally Why have they endured since the introduction of sound in the late 1920s What makes them more than glittery surfaces or escapist fare In answering such questions this guidebook by Steven Cohan takes new and familiar viewers on a tour of Hollywood musicals Chapters discuss definitions of the genre its long history different modes of analyzing it the great stars of the classic era and auteur directors Highlights include extended discussions of such celebrated musicals from the studio era as The Love Parade Top Hat Holiday Inn Stormy Weather The Gang's All Here Meet Me in St Louis Cover Girl Mother Wore Tights Singin' in the Rain Gentlemen Prefer Blondes The Band Wagon Seven Brides for Seven Brothers and Jailhouse Rock as well as later films such as Cabaret All that Jazz Beauty and the Beast and La La Land Cohan brings in numerous other examples that amplify and extend to the present day his claims about the musical its generic coherence and flexibility its long and distinguished history its special appeal and its cultural significance Clear and accessible this guide provides students of film and culture with a succinct but substantial overview that provides both analysis and intersectional context to one of Hollywood's most beloved genres *Theatres of San Francisco* Jack Tillmany,2005 You read the sad stories in the papers another ornate 1920s single screen theatre closes to be demolished and replaced by a strip mall That's progress and in this 20 screen multiplex world it's happening more and more Only a handful of the 100 or so neighborhood theatres that once graced these streets are left in San Francisco but they live on in the photographs featured in this book The

heyday of such venues as the Clay Noe Metro New Mission Alexandria Coronet Fox Uptown Coliseum Surf El Rey and Royal was a time when San Franciscans thronged to the movies and vaudeville shows dressed to the hilt to see and be seen in majestic art deco palaces Unfortunately this era has passed into history despite the dedicated efforts of many neighborhood preservation groups

Art Directors in Cinema Michael L.
