The Kilkenny Incest Case:

The Kilkenny Incest Case Alison Cooper, Kieron Wood, 1993 *Criminal Justice in Ireland* Paul O'Mahony, 2002
Comprehensive overview of the Irish criminal justice system its current problems and its vision for the future Collection of essays by major office holders experienced practitioners leading academics legal scholars sociologists psychologists philosophers and educationalists *Sophia's Story* Susan McKay, 2004-02-18 In 1995 Sophia McColgan's father was sentenced to prison for the serial rape and abuse of his children over many years He had first raped Sophia when she was only six It had taken immense courage on the part of Sophia and her family to bring the murky hidden world of family child abuse to the public gaze Then in 1998 Susan McKay published *Sophia's Story* one of the most acclaimed Irish books of modern times Now re issued with a new introduction by Susan McKay it records a triumph of the human spirit in the face of the most degrading and destructive betrayal of trust Sophia McColgan who now lives abroad was Irish Person of the Year in 1998 **Dark Secrets of Childhood** Powell, Fred, Scanlon, Margaret, 2015-05-06 Over the last few decades public opinion has been traumatised by revelations of child abuse on a mass scale It has become the major human rights story of the 21st century in Western society This ground breaking book explores the relationship between the media child abuse and shifting adult child power relations which in Western countries has spawned an ever expanding range of laws policies and procedures introduced to address the explosion of interest in the issue of child abuse Allegations of child sexual abuse by Roman Catholic clergy in Ireland and its cover up by Church authorities have given rise to one of the greatest institutional scandals of modern history Through in depth analysis of 20 years of media representation of the issue the book draws significant insights on the media's influence and its impact on civil society Highly topical and of interest and relevance to lecturers and researchers in the areas of childhood studies sociology of childhood child protection and social work social and public policy and human rights as well as policymakers this book provides an important contribution to the international debate about child abuse as reflected to the public through the power of the media **Child Pornography** Ian O'Donnell, Claire Milner, 2012-12-06 This book explores the enduring appeal of child pornography and its ramifications for criminal justice systems around the world It is based on an extensive review of academic literature and newspaper coverage a trawl of websites frequented by those with a sexual interest in children a survey of how police investigate these offences examination of prosecutors decisions and interviews with judges It provides a framework for understanding the contemporary nature of this problem especially the harms it causes its intimate relationship with new technologies and the challenges it poses to law enforcement authorities The internet plays a pivotal role Its sheer size the anarchic way it grows the lack of any boundaries to its expansion and its disregard for national borders make it a legal environment without parallel An unwavering focus on the threat of sexual abuse has contributed to the emergence of a context where routine dealings with children are viewed through a paedophilic lens This can have the unfortunate consequence of distracting attention from more urgent concerns

such as poverty and neglect which make children vulnerable to sexual exploitation In this way an emphasis on the sexualisation of children could be said to aggravate the problem that it sets out to address The book provides a comprehensive analysis of child pornography issues in all of their complexity including legal psychological criminal justice and social perspectives presents significant volume of original empirical data gathered from police prosecutors and judges includes new qualitative and quantitative information set against a background of shifting international developments The analysis is explicitly comparative draws on a variety of sources including support groups for paedophiles newspaper coverage of court cases involving child pornography victim testimony and police operations

The victim in the Irish criminal process Shane Kilcommmins,Susan Leahy,Kathleen Moore Walsh,Eimear Spain,2018-03-20 Concern for crime victims has been a growing political issue in improving the legitimacy and success of the criminal justice system through the rhetoric of rights Since the 1970s there have been numerous reforms and policy documents produced to enhance victims satisfaction in the criminal justice system The Republic of Ireland has seen a sea change in more recent years from a focus on services for victims to a greater emphasis on procedural rights The purpose of this book is to chart these reforms against the backdrop of wider political and regional changes emanating from the European Union and the European Court of Human Rights and to critically examine whether the position of crime victims has actually ameliorated The book discusses the historical and theoretical concern for crime victims in the criminal justice system examines the variety of forms of legal and service provision inclusion and concludes by analysing the various needs of victims which continue to be unmet

Hard Cases - True Stories of Irish Crime Gene Kerrigan,2005-02-08 From crime to verdict award winning journalist Gene Kerrigan tells the brutal stories of some of Ireland s most notorious murders kidnappings and violent attacks Hard Cases is a collection of startling stories about the reality of crime and court cases in Ireland In these stories there are no

crime bosses with quaint nicknames the police don't collect convenient clues that tell them whodunnit Instead it contains cases both famous and obscure in which the outcome is sometimes just sometimes unsettling and always complicated in which there are no easy answers and no simple victims In *Hard Cases* you will delve into the criminal underworld of Ireland starting with the tale of Dessie O'Hare which records in breathtaking detail the inside story of a notorious kidnapping There's the story of Karl Crawley a sometimes gentle sometimes wild young Dublin man who found a shocking way of fighting back against authority Then there's the story of Peter Matthews who went into a police station to answer questions about a petty crime and ended up dead with garda covering up the reason why *Hard Cases* also exposes the story behind some Ireland's most infamous crime scenes how did Fr Molloy come to die in the bedroom of his married friends What happened when Christy Payne came home to find his daughter's boyfriend wielding a hatchet *Hard Cases* is a must read revealing the true stories behind some of Ireland's most famous headlines and exposing the machinations of the Irish justice system it is a shocking and fascinating snapshot of Irish crime criminals and court cases **Irish National Cinema** Ruth Barton, 2004

Ruth Barton argues that in order to understand the position of filmmaking in Ireland and the inheritance on which contemporary filmmakers draw definitions of the Irish culture and identity must take into account the Irish diaspora and engage with its cinema **Irish Society** Patrick Clancy, 1995
