the British Royal Family the Devonshires and the Krays sets out to find the answer The result first published in 1995 is a fascinating saga of an extraordinary dynasty He traces much of the trouble to the bizarre character of the avaricious sex obsessed billionaire J Paul Getty himself and demonstrates how much of his behaviour has been repeated in succeeding generations He describes the famous kidnapping of his grandson in graphic detail revealing how the old man s attitude added considerably to the boy s sufferings And he shows how the family has coped with the latest modern scourges drugs and AIDS For All the Money in the World is not a hopeless story While some of the family have been damaged by the Getty legacy others have saved themselves from disaster most notably the cricket loving philanthropist J Paul Getty Jr Pearson s moving story of his recovery from drugs and deep personal tragedy shows that there is hope for future generations of this stricken family and demonstrates that money can be used to buy survival and even happiness **Biggles** John Pearson,2011-12-01 From the author of All the Money in the World now a major motion picture directed by Ridley Scott comes the fictional biography of the mystical and fearless ace James Biggles Worth For over fifty years James Biggles Worth D S O D F C M C has flown the skies in everything from Sop with Camels to the earliest jets he emerged with glory from devilish scrapes all over the world Yet until now Biggles has often been seen as a storybook caricature A dashed fine chap certainly but not the extraordinary man he really was Here for the first time is an insight into the real man who made these adventures possible In Biggles his fictional biography first published in 1978 John Pearson has unraveled the missing strands in Biggles life delving vigorously into subjects that were once taboo Why did Biggles never marry What was the truth about his tragic first love And what were Biggles real regrets and frustrations as he tried to come to terms with a rapidly developing world in peacetime The truth so long hidden behind a stiff upper lip and an equally stiff pink gin in the Officers Mess is at last revealed *The Bookseller* ,1982 **The Publishers Weekly** ,1982 A Year Amongst The Persians Edward Granville Browne,2013-10-28 First published in 1893 this is one of the great classics of travel Going far beyond the record of a journey it gives lively and entrancing descriptions of Persia and its people and is an infallible guide to modern Persian literature and thought Written with tremendous enthusiasm by the greatest exponent of Persian life and letters of his day it is a fascinating and instructive work **Henry of Ghent** W.
