Tales From Anterra: The King's Daughter Joshua Phillips,2024-02-22 In a land of fantasy magic and even elves being a princess would be considered something of a dream but to the fourteen year old Varus it is more of a burden than anything It s not really the responsibilities that weigh so much on Varus it s that she along with her brother and sister live in the conquered land of their enemies they attend high school surrounded by people that hate them and their father Beyond that Varus isn t a normal person she has green skin silver hair black lips and a host of other unique colors across her body It s not all bad though her younger sister Xarox is a genius and her older brother Drait is a guardian to the both of them Along with Bob and Marge their caretakers they don t have much to fear of the townspeople When the war of their father suddenly begins to rage again Varus finds her life flipped upside down How far will she go to end the war her father started Will she become a hero Can the King s Daughter unite Anterra Or will she become the monster she fears she is Only through the fires of war can she learn for sure The King Max Overton,2017-05-25 That he is descended from Ramesses the Great fills Ramesses III with obscene pride Elevated to the throne following a coup led by his father Setnakhte during the troubled days of Queen Tausret Ramesses III sets about creating an Egypt that reflects the glory days of Ramesses the Great He takes on his predecessor s throne name names his sons after the sons of Ramesses and pushes them toward similar duties Most of all he thirsts after conquests like those of his hero grandfather Ramesses III assumes the throne name of Usermaatre translated as Strong is the Ma at of Re and endeavours to live up to the sentiment He fights foreign foes as had Ramesses the Great he builds temples throughout the Two Lands as had Ramesses the Great and he looks forward to a long illustrious life on the throne of Egypt as had Ramesses the Great Alas his reign is not meant to be Ramesses III faces troubles at home troubles that threaten the stability of Egypt and his own throne The struggles for power between his wives his sons and even the priests of Amun together with a treasury drained of its wealth all force Ramesses III to question his success as the scion of a legend **Every Boy Should Have a Man** Preston L. Allen,2013-04-19 James Baldwin meets Aldous Huxley in this highly original speculative fable Chicago Tribune Nominated for the Hurston Wright Legacy Award in Fiction In a post human world creatures called oafs keep humanlike mans as beloved pets One day a poor boy oaf brings home a man whom he hides under his bed in the hopes his parents won t find out Much like Pierre Boulle s 1963 novel Planet of the Apes this novel is a sardonic parable on the nature and destiny of the species A nimble fable whose bold narrative experiment is elevated by its near biblical language and affectionate embrace of our inherent flaws Kirkus Reviews An imaginative and honest epic weaving together biblical stories fantasy poetry and fairy tales with a touch of realism Allen asks us to question the assumptions isms and contradictions of the modern world Recalling the humanitarian concerns of Octavia Butler s Fledgling and the poetry of Ovid s Metamorphosis sic this book will appeal to readers of literary fiction and fantasy Library Journal

Imaginative versatile and daring Allen raids the realms of myth and fairy tales in this topsy turvy speculative fable With canny improvisations on Jack and the Beanstalk the Epic of Gilgamesh and Alice in Wonderland Allen sharpens our perceptions of class divides racism enslavement and abrupt and devastating climate change to create a delectably adventurous wily funny and wise cautionary parable Booklist It is one thing to devise a fable dealing so adroitly with such concepts as racism war religion and the very nature of civilization itself but Preston's true triumph is the infusion of each page and every astonishing episode with palpable emotional resonance Les Standiford New York Times bestselling author of Last Train to Paradise A Chicago Tribune Noteworthy Fiction Pick **The King of the Fallen** David Dalglish,2020-08-03 Yet again the brother gods destroy the land with their selfish war The angels were meant to protect Dezrel They were meant to guide humanity out from the wreckage of the second Gods War But their high priest Azariah has betrayed them all The ruling angels have fallen their forms twisted their color faded and their wings stained black with the god Ashhur's disgust In their rage they are no longer content to guide With Azariah at their head they will rule They will form their perfect world no matter how many human lives must be sacrificed In the north the greatest remaining angel Ahaesarus gathers the beastmen tribes to wield them as an army against the Fallen To the south the surviving members of the Eschaton Mercenaries flee the ever expanding reach of the Fallen The boy king of Mordeina travels with them under the protection of the Godslayer Harruq Tun He is the last hope to unite the fracturing human kingdom to stand against complete domination and the Fallen will capture him at any cost But Azariah has in his possession the journal of Karak's Prophet and access to its forbidden spells within Those beloved to the Godslayer will suffer even those beyond the grave THE KING OF THE FALLEN by David Dalglish Even gods may betray their beloved **The Path of the King** John Buchan,2016-09-18 John Buchan 1st Baron Tweedsmuir PC GCMG GCVO CH 1875 1940 was a Scottish novelist historian biographer and editor Outside the field of literature he was at various times a barrister a publisher a lieutenant colonel in the Intelligence Corps the Director of Information reporting directly to prime minister David Lloyd George during the First World War Quote from book The newspapers announced in large type that the Kronprinzessin Emilie the crack flyer of the Bremen American line was to carry from the United States to Germany the vast sum of 6 000 000 in bullion On her sailing day the dock from which she was to start on what destined to prove the most eventful voyage ever made since men first went down to the sea in ships was jammed with gaping crowds They interfered with the passengers and employees of the company had to jostle their way among them as best they could Excerpt from Wikipedia Amazon **The Ubu Plays** Jeff Goode,1997-09 **The King's Confidante** Jean Plaidy,2009-04-07 An English lawyer and statesman Sir Thomas More was a kind father who put as much emphasis on educating his daughters as on his son declaring that women were just as intelligent as men His favorite daughter Meg is the heroine of this novel in which we witness the everyday lives of people in Tudor England Plaidy takes readers into a world far removed from the grandeur of the courts into the home of a simple family and a caring father who only wants to do what is morally best not just

for his family but for England As secretary and personal adviser to King Henry VIII More becomes increasingly influential in the government welcoming foreign diplomats drafting official documents and serving as a liaison between the king and the Archbishop of York His own household stands in startling contrast to the licentious Tudor court but as lord chancellor he gains recognition and becomes indispensable to the king More s love of faith surpasses his duty to the crown and his refusal to accept King Henry VIII s claim to be supreme head of the Church of England ends his political career and leads to his trial for treason **A muddled oaf, by F.
