The Kingdon Pocket Guide To African Mammals Princeton Pocket Guides:

The Kingdon Pocket Guide to African Mammals Jonathan Kingdon, 2020-09-17 The essential mammal guide to take on safari covering every African land mammal Originally published in 2004 the Kingdon Pocket Guide to African Mammals quickly became the field guide of choice to take on African safaris Its compact format makes it ideal for use in the field while its coverage is the most comprehensive currently possible in this format Adapted from the Kingdon Field Guide to African Mammals the greatly condensed text focuses on essential information such as identification and distribution while the author's superb illustrations have been rearranged into an easy to use plate format and placed opposite the text Complex and more obscure groups like the bats and certain rodent families are summarised by genera Over 500 maps plot the distribution of all larger species and for smaller mammals the maps show distribution by genus This is a completely revised second edition of this popular guide The information and taxonomy have been updated to follow the newly published second edition of the Kingdon Field Guide to African Mammals 2015 and this new edition of the pocket guide contains several new species and illustrations The maps have been completely replaced and there are now 200 more maps than in the original edition

The Kingdon Pocket Guide to African Mammals Jonathan Kingdon, 2020-02-25 The fully updated second edition of the leading field guide for African safaris providing unmatched coverage of all the continent's land mammals in a handy portable volume Originally published in 2004 The Kingdon Pocket Guide to African Mammals quickly became the field guide of choice to take on safari in Africa providing the most authoritative and comprehensive coverage available in a handy portable volume Now this popular practical and beautifully illustrated guide has been thoroughly revised and updated to make it even better than before Adapted from the revised second edition of the acclaimed and much larger Kingdon Field Guide to African Mammals this second edition of the pocket guide features updated species information and taxonomy and includes several new species It presents more than 780 superb color illustrations including several new ones and 520 distribution maps 200 more than in the previous edition The concise text greatly condensed from the larger field guide focuses on essential information for field identification and distribution while the illustrations are conveniently located on facing pages Now more than ever The Kingdon Pocket Guide to African Mammals is a must have companion for anyone interested in African wildlife from the tourist on safari to the experienced naturalist Covers all of Africa's land mammals with some smaller groups treated generically Includes more than 780 color illustrations and 520 distribution maps Features concise text focusing on essential information for field identification with the illustrations placed opposite the text for quick easy reference

The Gambia Sean Connolly, Philip Briggs, 2024-01-30 Co authored by regional expert Sean Connolly and Philip Briggs the world's foremost guidebook writer on Africa this third edition of Bradt's The Gambia remains the most comprehensive guide available to mainland Africa's smallest country This new edition integrates recent developments from recently opened restaurants and hotels to the new roads and bridges that make circumnavigating the country easier than ever The guide provides detailed

coverage of ecolodges and camps information on festivals music workshops and opportunities to experience local culture plus advice about birdwatching possibilities in a country popular with first time birders to Africa As well as encompassing popular coastal resorts the guide provides information required to explore the relatively undeveloped interior and proposes excursions into neighbouring Senegal making it ideal for visitors on organised holidays and independent travellers alike Bradt s The Gambia reveals all the practical information needed to explore this welcoming and safe country not for nothing is it nicknamed the Smiling Coast with its plethora of beach resorts catering to all tastes and budgets that line the 80km stretch of tropical coastline running from the capital Banjul to the remote southern border Small in size but rich in character The Gambia offers perhaps the closest English speaking winter sun destination from Europe Justifiably popular with birdwatchers the lush mangrove and jungle fringed River Gambia is also home to crocodiles hippos rehabilitated chimpanzees and various monkeys The Gambia offers rich heritage tourism for moderately adventurous travellers from the mysterious megalithic stone circles at Wassu and Ker Batch to fortified Kunta Kinteh James Island and the former slave trading village of Juffureh the heart of novelist Alex Haley s Roots country and part of two UNESCO World Heritage Sites And why not enhance your visit further by experiencing colourful local markets witnessing kankurang spirit masquerades or joining a kayak cruise from the sleepy river port of Janjanbureh or paying homage to The Gambia s inspiring journey towards democracy and reconciliation at Memory House All in all Bradt s The Gambia is the perfect companion for discovering this safe welcoming and tourist friendly English speaking country which provides an ideal short stay introduction to West Africa s unique atmosphere

Congo Sean Rorison,2012 Known as the heart of Africa the Congos are one of the last bastions in Africa for the seriously adventurous traveler This revised guide tells you how to travel both adventurously and safely with the practical information and unique maps needed to explore this jungle territory The Congos encompass Africa s largest area of intact rainforest and much of the book is devoted to the spectacular wildlife including the mountain gorilla and the critically endangered eastern lowland gorilla This is the only comprehensive guide to both Congos in English **The African Book Publishing Record** ,2007 Wildlife of Australia Iain Campbell,Sam Woods,2013-05-21 The go to introductory guide to
