The Knife In My Hands:

Heroes in the Three Kingdoms Shui MuSi, 2019-10-10 The era of the Three Kingdoms was a time of chaotic wars The times created heroes and the chaotic times were the best stage for heroes to display their talents The era of the Three Kingdoms was destined to be an era where heroes emerged Pearson's Magazine ,1907 **Supreme Court** , **Racing Uphill** Stacia Kalinoski, 2025-07-01 The candid inspiring story of a woman's experience with a chronic unpredictable neurological condition When twenty nine year old reporter Stacia Kalinoski regained consciousness on a couch at the TV station where she worked she assumed that she'd had another seizure But the electrical storm that had just torn through her brain was more destructive than she could have imagined and the broadcast journalism career she loved swiftly came to an end Forced to confront the reality of her medical condition Kalinoski made the risky decision to undergo brain surgery targeting the epilepsy that was ravaging her life In *Racing Uphill* Kalinoski describes the seizures that occurred while she was running which led to her pursuit of an uncertain cure Rallying the grit she developed as an athlete and engaging the research and reporting skills she acquired as a journalist she gives us a rare inside look at the ways epilepsy can change a life Moving beyond her own personal experience Kalinoski interviews prominent epileptologists to understand how seizures can spread steal memories and create strange behaviors and mood disorders She seamlessly joins what she learned from her research with her own story offering valuable insight into the experience of grappling with a relentless neurological disease The vivid auras that preceded seizures and the damage that followed the toll of her epilepsy on her family and loved ones the extraordinary determination her reckoning required these are all part of Kalinoski's story of adversity denial acceptance and resilience In sharing the remarkable opportunity that epilepsy presented for her courage and growth Stacia Kalinoski speaks to anyone facing an uphill battle and offers inspiration for taking control of one's own health **Supreme Court, Kings County** , Without Faith Keith McClean, 2024-08-26 Frank Tarrt a New York newspaper reporter and a devout Catholic loses his faith after the tragic accidental death of his daughter Once his faith is gone he feels that if there is no judgement day in the next life he should spend the rest of his days hunting down those who abuse their power for personal gain without thought to the collateral damage inflicted on the innocent and vulnerable Disregarding the laws of God or man Tarrt focuses his fury into acts of his own sense of justice and decides what price others will pay New York Police Lieutenant Sean Horgan also tragically loses a child his son in a violent exchange with the son of a wealthy man who was in a position to buy his own son's freedom Still Horgan continues to keep his strong faith and work within the confines of the law but never forgets the injustice done to his son and his family As investigations into high profile individuals are seemingly inexplicably squashed from above these two inherently good men cross paths This is a gritty story where we feel the inner turmoil and desperation of these men and the people they investigate as they peel back layers of corruption and uncover dark secrets All the while readers witness Tarrt's downward spiral as he deals with the moral consequences of the path he has taken **The Wide**
