The Land Beyond Time John Olsen, 1884      The Land Beyond Time: a Modern Exploration of Australia's North-west Frontiers John Olsen, 1984      *The Land Beyond Time; a Modern Exploration of Australia's North-west Frontiers. (By) John Olsen with Mary Durack (and Others).* Mary Durack, 1984      *Settler Colonialism* Patrick Wolfe, 1999-01-01 This is a brilliant history of anthropology from its origins in 19th century Europe to the present day Underlying this and closely connected to this meta narrative is the story of European settlement and colonialization of Australia and the distressing history of Australian official policy towards the Australian aboriginal population other colonial enterprises are also examined for instance the book incorporates a discussion of the late 19th century development of American cultural anthropology and its relation to the European settlement of North America He shows how anthropological theory emerged from the political and intellectual culture of Victorian England and to a lesser extent Germany and the United States and examines its relationship to science particularly evolutionary science      *Night Parrot* Penny Olsen, 2018-09-01 For well over a century the Night Parrot lured its seekers into Australia s vast arid outback From the beginning it was a mysterious bird Fewer than 30 specimens were collected before it all but disappeared offering only fleeting glimpses and the occasional mummified body as proof of its continued existence Protected by spinifex and darkness the parrot attained almost mythical status a challenge to birdwatchers and an inspiration to poets novelists and artists Night Parrot documents the competitiveness and secrecy the triumphs and adventures of the history of the bird and its followers culminating in the recent discovery of live birds at a few widely scattered locations It describes what we are now unravelling about the mysteries of its biology and ecology and what is still left to learn Complemented by guest essays illustrations and photographs from a wide variety of sources this book sheds light on Australia s most elusive bird      **Cultures of Scholarship** Sarah C. Humphreys, 1997 Reveals and challenges the barriers to a truly international scholarship      **People, Print & Paper** Michael Richards, 1988 The National Library s major public contribution to the Australian Bicentenary was the travelling exhibition People Print Paper Celebrating two hundred years of Australian books this exhibition and the accompanying catalogue bring together a collection of books which gives a fascinating insight into an aspect of Australian life and character which is often overlooked      *Landscapes of Western Australia* John A. Scott, 1986      A Major Collection of Rare Australiana, Pacific Voyages, and Other Books Gaston Renard Fine and Rare Books, 1988      **Drawing in Australia** Janet McKenzie, 1986 Lloyd Rees Robert Dickerson Vicki Varvaressos Albert Tucker John Olsen Robert Hughes
