The Complete Chronicles of Narnia C. S. Lewis, 1998-09-18 All seven Chronicles are bound together in this one magnificent volume with a personal introduction by Douglas Gresham stepson of C S Lewis *The Mythmakers* John Hendrix, 2024-09-24 From New York Times bestselling award winning creator John Hendrix comes The Mythmakers a graphic novel biography of two literary lions C S Lewis and J R R Tolkien following the remarkable story of their friendship and creative fellowship and how each came to write their masterworks Through narrative and comic panels Hendrix chronicles Lewis and Tolkien s near idyllic childhoods then moves on to both men s horrific tour of the trenches of World War I to their first meeting at Oxford in 1929 and then the foreshadowing action and aftermath of World War II He reveals the shared story of their friendship in all its ups and downs that gave them confidence to venture beyond academic concerns fantasy wasn t considered suitable for adult reading but the domain of children shaped major story theme ideas and shifted their ideas about the potential of mythology and faith The Mythmakers also shows the camaraderie and the importance of the social literary circle of friends called the Inklings and how the friendship of these two great men fell apart and came together again Hendrix concludes describing how the writings of C S Lewis and J R R Tolkien had re enchanted the 20th century after two World Wars In writing aimed at scholars adults and young people these two tweedy academics altered the course of storytelling and embraced the concept that fantasy writing for an adult audience was an accepted form of literature The

format is similar to The Faithful Spy prose interspersed with images and narrative comics The narration is often conversations between a knowledgeable wizard and a comical lion Through brisk conversation between these two friends they explain some of the bigger ideas in an approachable and entertaining way Throughout the story there are gateways that lead readers to the back matter where certain themes such as how myth fantasy evolved or the art of world building are discussed more fully This device keeps the main story flowing quickly and smoothly for those readers not interested in the more academic ideas behind the narrative Among the ideas covered in the narrative and back matter Tolkien s world building The Theology of Creation linking their faith to their writings The meaning of real friendship Notions of modernity and mythology The value of fantasy The power of a creative community An exploration of the different kinds of storytelling in Narnia and The Lord of the Rings both relying on the Myth as a storytelling device but differing in the use of allegory vs symbolism The creative differences of Lewis and Tolkien the high standards of Tolkien s fiction and the faster and more immediate approach of Lewis s Logos vs Mythos Lewis created from images Tolkien created from language The mixing of mythologies Also included are an author s note endnotes bibliography and index

A Narnian Vision of the Atonement Charles Taliaferro, 2022-08-24 How can we have redemption or atonement at one ment with God Ancient Christians proposed a ransom theory according to which God pays the ransom for us through heroic self sacrifice so we can be liberated from the power of the demonic sin and death This theory is widely rejected by philosophers and theologians yet C S Lewis boldly portrays atonement in precisely such terms in his seven volume The Chronicles of Narnia In this book philosopher Charles Taliaferro defends the integrity and beauty of redemption in these stories and offers a Narnia inspired Christian theory of atonement He writes for those intrigued by Lewis s imaginary world of Narnia and for those interested in thinking about temptation how wrongdoing may be overcome confession repentance forgiveness and reconciliation restitution death

resurrection and personal transformation Taliaferro argues that Lewis's work is no mere entertaining fairytale for children but an important lens through which to view deep themes of redemption and atonement and all the vital stages involved in overcoming evil with the superabundant good of God's loving self sacrifice
