The Last Circle:

The Last Circle of Keldor m.j. mann,2025-04-21 A dying world A lost past A power that should never have been found One hundred years ago the world was shattered in an arcane catastrophe known as the Sundering a magical cataclysm so great that it fractured ley lines destroyed entire cities and collapsed the Great Tower of Saphiron home to the mightiest wizards Magic once a force of creation and order became unstable feared and fading Now what remains of civilization clings to the ruins of the past The Last Circle of Keldor an ancient order of mages has dwindled to a shadow of its former self divided between those who believe magic must be restored and those who wish to see it forgotten forever Into this broken world walks Kael Maren a young man born during a lightning storm marked by a glowing sigil on his arm that pulses with the dying magic of the world When he stumbles upon a grimoire from before the Sundering he unknowingly becomes the key to either restoring the arcane balance or triggering the world's final collapse But Kael is not the only one seeking answers The Ashborn a ruthless faction that bends magic to its will hunts him across the land And in the darkness beyond the Veil something watches waiting for the right moment to step through As war looms and magic stirs once more Kael must unravel the truth behind his sigil the Last Circle and the long buried secrets of the Sundering itself But some truths were meant to stay hidden And some powers should never be awakened The world has already burned once Will Kael be the spark that ignites it again *Ashes of the Arcane* is the epic beginning of *The Last Circle of Keldor Saga* a dark fantasy series filled with ancient magic lost histories and the echoes of a world on the brink of ruin *Last Line Last Circle* Massimo
