

THE LAST HARVEST

The background of the cover is a photograph of a person walking away from the viewer into a field of tall grass. The sky is dark and stormy, with many birds flying in the air. The overall mood is eerie and tense.

The Last Harvest:

The Last Harvest Kim Liggett, 2017-01-10 Kim Liggett draws on her childhood during the Satanic Panic for a chilling tale of magic in *The Last Harvest*. I plead the blood. Those were the last words seventeen year old golden boy quarterback Clay Tate heard rattling from his dad's throat when he discovered him dying on the barn floor of the Neely cattle ranch clutching a crucifix to his chest. Now on the first anniversary of the Midland Oklahoma slaughter, the whole town's looking at Clay like he might be next to go over the edge. Clay wants to forget the past but the sons and daughters of the Preservation Society, a group of prominent farmers his dad accused of devil worship, won't leave him alone. Including Ali, his longtime crush who suddenly wants to reignite their romance after a year of silence and hated rival Tyler Neely who's behaving like they're old friends. Even as Clay tries to reassure himself, creepy glances turn to sinister stares and strange coincidences build to gruesome rituals but when he can never prove that any of it happened, Clay worries he might be following his dad down the path to insanity or that something far more terrifying lies in wait around the corner. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Last Harvest Lucien Mars, What if your beliefs about reality were wrong? *The Secret History of Angels, Demons, Aliens, and the Militarized Culture of Fear* In these final days, Lucien Mars reveals the secret history of humanity contained in an ancient ME stone or computer crystal known as a flaming stone. *GirKu* chronicle included are the galactic wars that led to the Fall described in the Bible and why alien cultures such as the Anunnaki and others want to enslave Earth. For the first time, the full history of Lucifer and the Fall is revealed with a stunning conclusion affecting everyone as the fate of humanity hangs in the final balance. Uncover the mystery of the Dark Goddess, Lucifera, mother of the genetic re-creator known as Lucifer who plays a leading role in this cosmic drama. The book provides a blistering expose that explains how the Illuminati were genetically related to Lucifer and spawned the socio-fascist New World Order. The contents may shock your conceptions of reality as the final earth-shattering pieces of the cosmic puzzle are being instituted to depopulate the planet and recolonize it with a hybrid race of super humanoids designed to serve and worship the new World Order. How will you respond to Humanity's Eviction Notice? Engraved upon the Anonymous Georgia Guidestones, the Illuminati Plan they have prepared for you is summarized on the monolithic Georgia Guidestones erected in Elbert County anonymously in 1979 in a faux Stonehenge fashion. Engraved on the stones are ten neo-fascist commandments politically spun into Orwellian instructions. More importantly, they unveil a fascist plan for eugenic extermination and global genocide. The first commandment reveals all the rest: Maintain humanity under 500 000 000 in perpetual balance with nature. Since the world's population now stands at 7.8 billion, what shall be done with the expendable 7.3 billion? The alien answer seems the most obvious: First, institute species integration followed by militarized assimilation and final hybridization of 500 000 000 aliens over time and systematically exterminate the rest. That's The Plan carved in stone for all to see. So the question remains: Are they humanity's guide stones or tombstones? Find out inside.
