The Last Metro Francois Truffaut Director:

The Last Metro François Truffaut, Mirella Jona Affron, 1985 **François Truffaut** Annette Insdorf, 2020-08-31 Truffaut's films beautifully demonstrate the idea that a film can express its director as personally as a novel can reveal its author. Moreover, his development of a gently self-conscious visual style made him more than the entertainer he believed he was; there is genuine artistry in his motion pictures. He affected the course of French cinema, indeed world cinema, by blending auteurist art with accessible cinematic storytelling. Unlike other New Wave directors such as Jean-Luc Godard, Truffaut preferred idiosyncratic characters like the semi-autobiographical Antoine Doinel and universal emotions, especially desire and fear, to political tracts or didactic essays. Instead of the elitism or self-indulgence that characterize much of European cinema, Truffaut's movies were meant to touch people from different countries, times, and classes. And they keep succeeding in this aim. Truffaut's cinema remains a model of intimate, reasonably budgeted, sophisticated filmmaking that can still speak delightfully and profoundly to an international audience. Long considered the definitive study of Truffaut's genius, this revised and updated edition of *François Truffaut* includes fresh insights and an extensive section on the director's last five films: *Love on the Run*, *The Green Room*, *The Last Metro*, *The Woman Next Door*, and *Confidentially Yours*. While not a biography of the director, Insdorf captures in this study the essence and totality of Truffaut's work. She discusses his contributions to the French New Wave, his relations with his mentors Hitchcock and Renoir, and the dominant themes of his cinema: women, love, children, language. She explores his life in relation to his films, from *The 400 Blows* to *The Man Who Loved Women*. The most sensitive and intelligent book in the English language about my work, François Truffaut. Everyone who loves Truffaut will be delighted to welcome this book to their library. Milo Forman, director of *One Flew Over the Cuckoo's Nest* and *Amadeus*. Annette Insdorf's book on Truffaut is the best I know. Charles Champlin, *The Los Angeles Times*. Relevant, illuminating, clever, moving, sane, intelligible. Roger Greenspun, film critic. A n astute and insightful examination of the director's work along thematic and psychological lines. Insdorf carefully weaves a complex matrix of loose chords, individual motifs, and personal obsessions that amount to a strikingly coherent vision. Insdorf's analysis provides the reader with the best examination yet of Truffaut's work. Dan Yakir, *Film Comment*. Insdorf succeeds masterfully in fulfilling the purpose of her study of François Truffaut: an engaging and sympathetic study. Richard Williamson, *The French Review*. François Truffaut has been blessed with intelligent and perceptive critics throughout his career. Annette Insdorf's new book fits snugly into this tradition of excellence and even goes the earlier studies one better by treating the films with the comprehensiveness they deserve. The most striking feature of Insdorf's study is the intense concentration she brings to her discussion of each film. Her insights come thick and fast in the best New Critical fashion. This is an especially insightful, highly intelligent study. Peter Brunette, *Film Quarterly*. Each chapter in this well-researched and informative book contains extended comparisons of Truffaut's films. Each aims at specifying the thematic and stylistic continuities that define Truffaut as an auteur. Insdorf's mastery of the auteurist approach

produces a remarkable synthesis of thematic and stylistic continuities Paul Sandro The French Review Insdorf's forte is comparative exposition and synthetic vision Her early chapters on Truffaut's sources Hitchcock and Renoir and the latter ones on women children and Truffaut autobiographical films are replete with gems of comparative analysis e.g. her instructive comparison of Rules of the Game and Day For Night and the insightful relating of jazz with Truffaut's own improvisation in early films Francis I Kane Literature Film Quarterly Insdorf's insights regarding the famous films are on the mark and she makes an eloquent case for those not so well thought of Variety

François Truffaut Anne Gillain, 2018-11-01 Truffaut fans will love this English translation of Gillain's work drawing on the psychology and cinematography of the acclaimed filmmaker Booklist For François Truffaut the lost secret of cinematic art is in the ability to generate emotion and reveal repressed fantasies through cinematic representation Available in English for the first time Anne Gillain's François Truffaut The Lost Secret is considered by many to be the best book on the interpretation of Truffaut's films Taking a psycho biographical approach Gillain shows how Truffaut's creative impulse was anchored in his personal experience of a traumatic childhood that left him lonely and emotionally deprived In a series of brilliant nuanced readings of each of his films she demonstrates how involuntary memories arising from Truffaut's childhood not only furnish a succession of motifs that are repeated from film to film but also govern every aspect of his mise en scène and cinematic technique Brilliant A delicious reexamination that will make us want to sit down and take in all of Truffaut's wonderful filmography at once PopMatters
