The Last September:

The Last September Elizabeth Bowen, 2025-05-25 The story of Elizabeth Bowen's *The Last September* unfolds at the fading country estate of Sir Richard and Lady Myra Naylor Danielstown Set against the backdrop of the Irish War of Independence in the early 1920s the novel is chiefly concerned with the character of Lois Farquar the Naylor's 19 year old niece who comes to live with them following the death of her parents As Lois faces the struggles of emerging from adolescence into adulthood her emotional uncertainty reflects the broader struggle of Ireland as the nation collectively grapples with its own search for identity As the summer draws to a close the Naylor's and their guests largely continue their social routines yet are plagued by a sense that their era like the social season is coming to an end The dwindling grandeur of the country estate mirrors the broader sense of decay that belies the Anglo Irish aristocracy as a whole *The Last September* is as much a reflection on this mood of uncertainty in the face of change for the characters and the country as it is about anything else

The Last September Elizabeth Bowen, 2025-10-20 Brilliant A successful combination of social comedy and private tragedy The Times Literary Supplement Elizabeth Bowen masterfully depicts the Anglo Irish aristocracy's decline during the Irish War of Independence Set in the 1920s on a vast country estate the novel portrays the social and political turbulence through the lens of the Naylor family Bowen's nuanced characterization and vivid descriptions paint a poignant picture of a world of wealth filled with tennis parties and army camp dances on the brink of disintegration Nineteen year old Lois Farquar embodies the tensions between tradition and modernity in an existential coming of age crisis as she navigates personal and societal upheaval Bowen skillfully encapsulates Lois's transition from adolescence to adulthood *The Last September* is a compelling read exploring identity the inevitable passage of time and the fight for freedom both political and spiritual Elizabeth Bowen is one of the handful of great novelists of this century The Washington Post Had Elizabeth Bowen been a man she would be recognised as one of the finest novelists of the 20th century John Banville The Irish Times

The Last September Nina de Gramont, 2016-07-05 If you liked *The Girl on the Train* read *The Last September* a literary whodunit set on Cape Cod weaving a murder mystery with the emotionally intense story of a fraying marriage Newsday Impossible to put down With an artist's eye and a poet's heart de Gramont realizes a world of love mystery and the shattering sorrow of mental illness deceit hope and lives cut short Library Journal starred review Brett has been in love with her husband Charlie from the day she laid eyes on him in college When he is found murdered Brett is devastated But if she is honest with herself their marriage had been hanging by a thread for quite some time All clues point to Charlie's mentally ill brother Eli but any number of people might have been driven to kill Charlie a handsome charismatic man who unwittingly damaged almost every life he touched Brett is determined to understand how such a tragedy could have happened and whether she was somehow complicit Set in the desolate autumn beauty of Cape Cod this riveting emotional puzzle explores the psyche of a woman facing down the meaning of love and loyalty *The Last September* is a wonderful glowing book

populated by characters that become a part of your life long after the last page has been turned It is the type of novel writers admire and readers long for Jason Mott author of *The Returned* Brilliant rendering of love story and murder mystery I was hooked by the first paragraph which somehow contains all the beautiful luminous grief of the whole story and I truly did not want to let it go in the end Brad Watson author of *Aliens in the Prime of Their Lives* A moody murder mystery Boasts lovely understated writing sharply drawn settings and once again characters who are irresistibly attractive flawed and dangerous A fine literary whodunit from an accomplished storyteller Kirkus Reviews *The Last September* Elizabeth Bowen,1979
