

Handyman Special

We started on our bathroom –
Our first remodeling brush.
The job was forced upon us
When the toilet wouldn't flush!

The end result is stunning
And I hate to moan and grouse
But we spent more on the bathroom
Than we paid to buy the house!

The Handyman David Kelly,2023-03-22 David Kelly is keenly attentive to the still life moments we can so easily all walk past His poetry is measured and thoughtful moving fluidly along the journey of interactions with the handyman before stretching through to observations of fauna and space and haiku But just when you think you know where he is leading he stuns with a brilliant poem like Seven From tumbled cats to quicksand this collection is quietly elegant and profound Robyn Black poet memoirist and short story writer the handyman and other poems reads like a concerto grosso to me a concerto grosso of six very distinct movements each with their own pace of language and rhythm fitting for their subject s all in a sober language stripped of unnecessary ornamentation that lets you in that invites you in A nakedness of language that is commendable I m there watching overhearing the dialogue verbal and non verbal with the handyman I m at sporting events trying to grasp what s going on a silent observer of dinners for two and pondering about space and Australian wildlife and finding an echo of Bash s frog s hidden jump In short I really like this collection Johannes S H Bjerg Danish poet artist and editor When one takes the time to truly read and absorb all of the deeply atmospheric nuances of David s poetry it very soon becomes quite galahingly obvious that this man is living in a world of allusion Poignant evocative Aha moment allusion Mr Kelly s latest menagerie of hand hewn free range home grown Australian verse is steeped in a billy tea to transport our souls both to the stars and safely back to earth inexplicably surviving the deadly impenetrable radiation of the Van Allen Belt of toxic incredulity Buy now enjoy the rush Peter McQuade Pterodactyl Man musician and comic artist *Confessions of a Handyman* Mike Camp,2015 **The Handyman's Guide to End Times** Juan J. 100 Poems to Break Your Heart Edward Hirsch, 2021 We are not so much diminished as enlarged by grief by our refusal to vanish or to let others vanish without leaving a verbal record The poet is one who will not be reconciled who is determined to leave a trace in words to transform oceanic depths of feeling into the faithful nuances of art Poetry companions us Poems are written in solitude but they reach out to others which makes poetry a social act It rises out of one solitude to meet another Poems of terrible sadness and loss trouble and challenge us but they also make us feel less alone and more connected Our own desolations become more recognizable to us more articulate something shared We become less isolated in our sorrow and thus are befriended by the words of another There is something ennobling in grief that is compacted expressed and transfigured into poetry Book jacket
