The Hangman:

The Hangman's Replacement Taona D. Chiveneko, 2013-01-15 If you had to interview the candidates for a country's new hangman what questions would you ask them? If your family was on the verge of starvation and becoming a hangman was the only job available would you apply? If you were hired what would you do if the prisoners looked like your loved ones? If you knew that another good man was taking the job out of desperation would you do anything to prevent him from getting it? What if that man's recruitment would somehow guarantee your own survival would you encourage his candidacy? All these questions were asked of people who never thought they would find themselves in such a position until they became mired in the chaos surrounding the hangman's replacement.

The Hangman's Daughter Oliver Pötzsch, 2011 Taking us back in history to a place where autopsies were blasphemous, coffee was an exotic drink, dried toads were the recommended remedy for the plague, and the devil was as real as anything. New York Times bestselling author Oliver Pötzsch's *The Hangman's Daughter* is the rollicking start to an exciting series of historical mysteries bringing to cinematic life the sights, sounds, and smells of seventeenth-century Bavaria, telling the engrossing story of a compassionate hangman who will live on in readers' imaginations long after they've put down the novel. Magdalena, the clever and headstrong daughter of Bavarian hangman Jakob Kuisl, lives with her father outside the village walls and is destined to be married off to another hangman's son, except that the town physician's son is hopelessly in love with her. And her father's wisdom and empathy are as unusual as his despised profession. It is 1659, the Thirty Years War has finally ended, and there hasn't been a witchcraft mania in decades. But now a drowning and gruesomely injured boy, tattooed with the mark of a witch, is pulled from a river, and the villagers suspect the local midwife, Martha Stechlin. Jakob is charged with extracting a confession from her and torturing her until he gets one. Convinced she is innocent, Jakob, Magdalena, and her would-be suitor race against the clock to find the true killer. Approaching Walpurgisnacht, when witches are believed to dance in the forest and mate with the devil, another tattooed orphan is found dead, and the town becomes frenzied. More than one person has spotted what looks like the devil: a man with a hand made only of bones. The hangman, his daughter, and the doctor's son face a terrifying and very real enemy.

The Hangman's Scrapbook Neil R. Storey, 2025-01-16 During his years as executioner between 1901 and 1924, John Ellis hanged over 200 men and women. Among them were some of the most infamous killers of the 20th century, including Dr. Crippen, John Dickman, The Railway Murderer, George Smith, The Brides in the Bath murderer, Henry Jacoby, poisoners Frederick Seddon, and Major Herbert Rowse. Armstrong Ellis also hanged Sir Roger Casement for treachery and carried out the execution of Edith Thompson, one of the most controversial hangings in the history of capital punishment. British executioners kept their own ledgers recording brief details of those they hanged. John Ellis maintained just such a ledger too, but he is believed to be the only British executioner to have kept an additional scrapbook of his personal accounts of those he executed and their crimes, and as such it is a unique volume in the annals of British crime and punishment. Rediscovered after being lost for decades, John

Ellis scrapbook its cuttings manuscript texts and annotations have now been diligently transcribed and we can now read the book Ellis envisaged in his own words and in doing so we gain a remarkable insight into the life and executions one of Britain's most notable but least known hangmen
