Tracie Peterson, 2023-11-07 Could a captivating art exhibit hold the key to truth and love Budding artist May Parker is captivated by the Japanese exhibits at the Alaska Yukon Pacific Exposition and longs to know more about her mother's heritage which her mother refuses to speak of because of the heartache she left behind in Japan Wanting to experience more of the exhibits May works as a Camera Girl but her curiosity leads her into danger when a suit of samurai armor becomes the target of an elusive art forger After ten years apart May is reunited with her childhood friend Lee Munro a police detective assigned to keep a watchful eye on the exposition Their friendship immediately begins to blossom with hints of something more but when they become entangled in a dangerous heist involving the samurai armor and their love is threatened can they overcome the odds against them **Knowing with the Heart**

Roy Clouser, 2007-09-01 The famous scientist and philosopher Blaise Pascal memorably said that the heart has its reasons the mind will never know But too often it's forgotten that Pascal in referring to the heart's reasons was not talking about hunches or cozy feelings Instead he had in mind our intuitive knowledge of the first principles of number time space and motion And he believed God can be known in the same way so that belief in God has the same justification as scientific and mathematical principles Was he right In **Knowing with the Heart** Roy Clouser develops a broad compelling case for Pascal's position Against the current climate of religious relativism Clouser concludes that Christians are entitled to say they know God is real Written in clear and nontechnical language **Knowing with the Heart** is intended for believers concerned with the credentials of their faith and those who don't believe in God but are willing to investigate and reconsider **MaCheri The Heart Will Know**
