The Key To The Good News:

Good News George Clint Robinson, 2009-12 The Power of Good News Hal Urban, 2021-05-11 Full of wonderful stories of human resilience and easy ways for you to boost not only your own mood but the mood of every person you meet Ken Blanchard 1 New York Times bestselling coauthor of *The One Minute Manager* The media's bias toward stories of conflict violence and division is bad for your health Hal Urban shows how to find the positive and uplifting all around us What we eat greatly impacts our physical health Hal Urban says that we can nourish our minds just like we nourish our bodies by choosing what information we consume Urban explains why due to neuroscience as much as economics the media left right and center focuses mostly on negative stories And he describes the psychological toll this takes on our mental health But he is not suggesting we ignore these stories just that we vary our diets We can find countless signs of progress and acts of kindness all around the world if we know where to look And there are positive aspects in our own lives family friends beauty generosity and progress that we take for granted Offering techniques he road tested as a teacher for thirty six years Urban helps readers become a conscious consumer of information balancing sources like food groups If as the late Zig Ziglar put it you are what you are because of what has gone into your mind then it is in our best interest to choose positive healthy and uplifting input whenever possible Urban shows how to do this with open eyes and an open heart Blending storytelling and research humor and deep analysis Hal Urban provides us an accessible and valuable treasure Tal Ben Shahar PhD cofounder of the Happiness Studies Academy The Good News Tunde Fajolade, 2022-06-14 The Good News is an inspirational guide that urges everyone to live the life they were destined to live The book is divided into lessons each one sparked by Scripture and supported with practical insights that will help you gain new perspectives to achieving a fulfilled life which is especially of value in these difficult times The author explores how to rediscover a life filled with hope and happiness make full use of the potential God has granted to you lean on God to overcome life's difficulties enjoy the benefits of being a child of God A life lived in Jesus does not mean a life free of problems trials or hardships However knowing Jesus is beside you will give you peace strength and assurance that sooner or later God will turn the situation around Life will test you but you can overcome any struggle Ignite your faith help others find the Lord and live a victorious life filled with meaning with the wisdom in this book **Good News for the Disinherited** Alonzo Johnson, 1997 This book examines the meaning of Jesus humanity his divinity and the special significance of his teachings to the poor and the oppressed The discussion of these issues is shaped around the theology of Howard Thurman 1900 1981 one of the greatest religious thinkers of his generation It is the only such work which thoroughly defines Thurman's significance as an African American folk theologian who both adopts and transcends his religious heritage Thurman is depicted as a folk theologian who both perpetuates and transforms African American folk religion The core of Thurman's theology revolves around his reinterpretation of the meaning of the concept of humanity and divinity The search for a Black Christ black messiah has been a prominent feature of African American

religious thought in the past two centuries This book addresses Thurman s treatment of Jesus within the ebb and flow of the debates in this area This is the first work devoted exclusively to the subject of Christology as the center of Thurman s theology *The Good News According to Luke* Eduard Schweizer,1984-05-01 This commentary analyzes Luke s writings and gives specific explanations to enable readers to understand the special contributions Luke makes to the testimony of the New Testament With the precision for which he is noted Eduard Schweizer conveys the whole picture of what Jesus Christ means to the faith Goodnews Today Deacon Bill Rich,2020-12-02 goodnews today is written for any Christian who would like to celebrate the good news in his or her life or is looking for thought provoking reflections based on selected Gospel passages or would just like to have a thoughtful homily to reflect on every Sunday Scripture passages and accompanying reflections in goodnews today cover every Sunday and Feast Day in the three year Roman Catholic Liturgical calendar

The Key to the Good News George W. Kosicki,1975 **The Good News About Marriage** Shaunti Feldhahn,2014-05-06 Divorce is not the biggest threat to marriage Discouragement is You ve probably heard the grim facts Half of all marriages end in divorce The divorce rate inside the church is the same as outside Most marriages are just holding on But what if these facts are actually myths In *The Good News About Marriage* best selling author Shaunti Feldhahn presents groundbreaking research that reveals the shocking incredibly inspiring truth The actual divorce rate has never gotten close to 50 percent Those who attend church regularly have a significantly lower divorce rate than those who don t Most marriages are happy Simple changes make a big difference in most marriage problems Most remarriages succeed For too long our confidence in marriage has been undermined by persistent misunderstandings and imperfect data This landmark book will radically change how we think and talk about marriage and what we can dare to hope from it Shaunti takes aim at marriage myths that have spread like a cancer through our culture myths that have become self fulfilling prophecies This book is packed with game changing revelations Like this one Not only are most people staying married they are happy in their marriages Emerson Eggerichs best selling author of *Love and Respect* Africa the Good News Steuart Pennington,2008 Africa the good news is the conclusion of a year of extensive research and includes contributions from over 40 leading writers on Africa from the continent and beyond It provides insights into what is happening in Africa today It is about Africa and the good in Africa Jacket *The Good News of Revelation* Larry R. Helyer,Ed Cyzewski,2014-01-13 Readers of the Bible rarely if ever turn to the book of Revelation for comfort or assurance in hard times In fact many popular interpretations of Revelation today focus on predicting a terrifying future that leaves many unsettled and disconnected from John s original message to the seven churches many of whom were suffering persecution under the Roman Empire Revelation encouraged its original readers to persevere as they waited for God to eradicate evil restore justice and redeem the world Revelation speaks to the past present and future church with the assurance of Christ s victory over evil and the promise that faithfulness will be richly rewarded This often perplexing book of the Bible reveals good news about the rule of Christ and the future of God s people Rather than

saying Watch out The Anti Christ is coming Revelation tells its readers Hold on Jesus is Lord Book jacket
