The Kiss: A Romance of Two Children Driskill Horton, 2010-06-03 This book is a tribute to two precious people I called Mom and Dad by conveying their life story The book takes excerpt from Mother and Dad's diaries so they are obliquely able to convey their story Part of what of the story concerns Mother's self portrayal detailing experiences from birth until her young husband was leaving to fight in World War II It depicts Mom's tender loving attributes which those that knew her had the privilege of experiencing I honestly do not think she realized possessing such wonderful attributes which made them all the more enjoyable for those of us who crossed her path on the road of life Another portion is by Dad depicting his World War II story Then I fill in by describing what occurred as seen through my eyes which emerged from a lifetime of inspiration they
