The Land In The Day:

The Land and the Days Tracy Daugherty, 2022-01-27 In Cotton County the first of the dual memoirs in *The Land and the Days* acclaimed author Tracy Daugherty describes the forces that shape us the rituals of our regions and the family and friends who animate our lives and memories Combining reminiscence history and meditation Daugherty retraces his childhood in Texas and Oklahoma where he first encountered the realities of politics race and class As a child in the early 1960s Daugherty lived with his parents and sister in West Texas And yet from a young age in the author s recounting he was just as much at home in the small town of Walters Oklahoma where his grandparents lived and where he and his family often visited A cattle and oil town just a few miles north of the Red River Walters seemingly belonged to another realm In sensory detail Daugherty evokes the old fashioned atmosphere of his grandparents home the tastes smells and textures fried okra mothballs cotton batting radiators and ancient typewriters These were things he explains that he experienced only in Oklahoma The *Unearthly Archives* the second of Daugherty s memoirs expands the realistic accounts of the first narrative providing a meditation on the meaning of grief Daugherty demonstrates his curiosity and indefatigable quest for understanding and closure by examining his life long store of literary readings as well as the music he loves to discover the true value of a life dedicated to art Whereas the first narrative explores daily family life setting up what will be the huge loss of his parents the second examines questions of death grief creativity and the meaning of memory As he mourns the loss of his parents Daugherty reckons with his own mortality and finds himself confronting such fundamental questions as How does individual consciousness develop What can music art and literature teach us about life s experiences And finally Is there a soul *The Land and the Days* addresses these eternal questions with uncommon honesty and grace *30 Days in the Land of the Psalms* Charles H. Dyer, 2017-05-02 Read Psalms in full color The psalms are among the church s finest treasures a collection of writings where many find solace comfort and hope Yet some psalms remain locked in a sense containing references to places and objects modern readers have never seen and can t picture Until now From author and renowned Israel expert Dr Charles H Dyer comes a devotional that brings selected psalms to life Each entry features a beautiful full color photo of a Holy Land site a suggested reading from Scripture and a reflection that incorporates Dr Dyer s knowledge of the land Plus the hardcover binding and ribbon marker make it a wonderful gift or bedside read Some selections include God Is My Masada Psalm 18 The City of Our God Psalm 46 A Song from the Wilderness Psalm 90 A Song for the Mount of Olives Psalm 118 Solitary Prayers in Lonely Places Psalm 120 *30 Days in the Land of the Psalms* is a one month devotional that will take readers on an extended journey to Israel and into the book of Psalms *A Tract on the Sabbath Day.
