The Last Giants Levison Wood, 2020-11-03 From the award winning explorer an entertaining summary of what we know about the elephant and a call to change our behavior to ensure its survival Daily Mail The Last Giants satisfies British explorer Levison Wood's lifelong desire to learn more about the majestic African elephant These giants trek through some of Africa's most magnificent landscapes as they go in search of life giving waters and pastures El Nino's droughts and an insatiable ivory trade have cut African elephant numbers by a third in the last decade alone and if elephants disappear entirely Africa's entire ecosystem could collapse But Botswana has become a safe haven where one sixth of the world's elephants now reside Each year their numbers grow and an incredible migration takes place which Wood witnesses and records He teams up with local trackers to gain insight into how this iconic species survives camps out in the wild meets the people and tribes living on the migration's path and joins the park rangers whose job it is to protect these land goliaths equipped with his good eye for detail and better ear for dialogue The Wall Street Journal Adventurer Wood followed elephants on a 650 mile migration across Botswana for a British television program This fascinating companion volume to that series examines the past present and future of the African elephant Library Journal starred review A smart inviting portrait of elephants from a keen eyed observer Kirkus Reviews A rewarding look at the habits and habitats of the African elephant Comprehensively yet accessibly conveying Wood's lifelong fascination with African elephants his discussion will appeal to anyone keen on learning more about them Publishers Weekly

The Last Giants François Place, 2005 In a Rundown waterfront market an English explorer and top hatted dandy named Archibald Leopold Ruthmore discovers a remarkable object a human molar the size of a fist Deeply incised like scrimshaw the tooth yields up its secrets slowly at last its markings prove to be a map to the Land of the Giants So in September 1849 Ruthmore begins his voyage from Liverpool to Burma the first leg of the adventure of a lifetime an unprecedented trip up the Black River through a rainforest full of headhunters and into the valley of a race of gentle sweet tempered colossi The giants care for Ruthmore as they might a child There are only nine of them each thousands of years old They are covered from head to foot with a dizzying maze of complex lines curves spirals and speckles These are not tattoos but images that appear on their skin spontaneously illustrating their experience of trees plants animals rivers oceans stars and each other These stylized images are their wordless idiomatic language thoughts made flesh After ten months among the giants Ruthmore begins the long trip home to England his notebooks full of drawings and observations Then he makes a tragic mistake he publishes an account of his travels and unwittingly brings about the giants destruction The Last Giants is a moral tale a parable about the often painful and exploitative consequences of the encounter between the advanced and the primitive But this is no strident op ed piece dressed up as a children's picture book This is a hauntingly beautiful work of art by one of France's most sophisticated and subtle graphic storytellers

The Last Giant of Beringia Dan O'Neill, 2009-04-29 The intriguing theory of a land bridge

periodically linking Siberia and Alaska during the coldest pulsations of the Ice Ages had been much debated since Jose de Acosta a Spanish missionary working in Mexico and Peru first proposed the idea of a connection between the continents in 1589 But proof of the land bridge now named Beringia after eighteenth century Danish explorer Vitus Bering eluded scientists until an inquiring geologist named Dave Hopkins emerged from rural New England and set himself to the task of solving the mystery Through the life story of Hopkins The Last Giant of Beringia reveals the fascinating science detective story that at last confirmed the existence of the land bridge that served as the intercontinental migration route for such massive Ice Age beasts as woolly mammoths steppe bison giant stag moose dire wolves short faced bears and saber toothed cats and for the first humans to enter the New World from Asia After proving unambiguously that the land bridge existed Hopkins went on to show that the Beringian landscape cannot have been the polar desert that many had claimed but provided forage enough to sustain a diverse menagerie of Ice Age behemoths **Satan's Super Soldiers** Barry

Blackstone,2024-04-30 Barry Blackstone has been fascinated with the biblical reference to giants since childhood but only began looking deeper into the subject when he was challenged by a member of his congregation twenty five years ago Over those years Blackstone compiled information on all the named giants and those that slew them men well known like David Joshua and Caleb and those not so well known like Othniel Elhanan and Abishai Coming to the conclusion that this race of super humans was a product of Satan s plan to corrupt man stop the coming of the Messiah and resist the Hebrews from possessing their promised land Blackstone began to see the principles and precepts needed to combat the giants of our day in our spiritual warfare against principalities against powers against the rulers of the darkness of this world against spiritual wickedness in high places Eph 6 12 Travel with this pastor through the Bible as he reveals the origin of the giants how they survived the Flood and when they were finally wiped out in the days of David With strange names like Rephaim OG Arba Anak Sheshai and of course Goliath learn about their fabled size their formidable weapons and why they all were so easily defeated This exploration will cover some of the greatest battles described in Scripture and will uncover how to win against gigantic foes personally Each chapter is written in a devotional style that will bring a spiritual encouragement to the reader and will help them see that no matter how invincible the adversary What shall we then say to these things If God be for us who can be against us Rom 8 31 **At a Moment's Notice** Barry Blackstone,2023-02-10 At a Moment's Notice is the very first writing project the author ever attempted in 1988 After thirty five years the author took a second look at the series of devotionals and decided they needed to be made into a book At a Moment's Notice contains fifty chapters based upon the truth of the title Gleaning from the word of God the Bible the preacher in the author recognized that more often than not the main characters underlined in the Scriptures reacted immediately to certain situations and circumstances they were confronted with Take a trip through Holy Writ as we encounter the judge Shamgar as he comes face to face with a marauding band of Philistines in his field as Lydia the purple saleswoman meets Paul by a river in Philippi as Hur helps

Moses at a moment's notice with the Rod of God that eventually wins an important battle as Simeon comes into Herod's Temple just at the right moment to meet the Christ child and as Naboth has to make the most difficult decision of his life that will also cost him his life Though the actions and reactions of each famous or infamous hero or heroine highlighted in the book have the same quality the lessons being taught are as varied as the stories being told Take a few moments to read the account and ponder what is being taught and then hopefully an application can be made in the reader's heart at a moment's notice

Witchcrafts the Origin Joshua Olumoye,2023-10-13 Witchcrafts is a spiritual knowledge of how the cosmic and the physical world are controlled Witchcrafts is part of the heavenly knowledge known to Satan and the fallen angels which in turn was transferred to men Witchcrafts is limited to the knowledge of good and evil and does not have the knowledge of life eternal Surprisingly science and technology are the physical manifestation of witchcrafts and the essential tools for controlling and manipulating in the end time

Antarctica: the prison of fallen angels in Enoch's prophecy Cinzia Palmacci,2023-09-21 Why do so many powerful people on Earth often go to Antarctica What do they know about us that is important Is Antarctica the kingdom of the antichrist One thing is certain the hybrid offspring of Lucifer for millennia have been interacting and working to pervert Creation and persecute humanity We see this from the iniquitous laws of a ruling class in corrupt and evil minded power It is written that Enoch and the prophet Elijah will return for the final battle against the antichrist And it doesn't seem to be that far off Knowing is defending and reacting Enjoy reading *Harry Potter*,
