The Last Of The Nuba:

The Last of the Nuba Leni Riefenstahl, 1974 First published in 1973 and long since out of print a classic photo essay about life among Africa's Nuba tribe by one of the century's foremost film directors is presented in an impressive full color gift edition **Leni** Steven Bach, 2008-02-12 Leni Riefenstahl the woman known as Hitler's filmmaker made some of the greatest and most innovative documentaries ever made They are also insidious glorifications of Adolf Hitler and the Third Reich Now Steven Bach reveals the truths and lies behind Riefenstahl's lifelong self vindication as an apolitical artist who claimed to know nothing of the Holocaust and denied her complicity with the criminal regime she both used and sanctified A riveting and illuminating biography of one of the most fascinating and controversial personalities of the twentieth century

Movies and Methods Bill Nichols, 1976 Gathers examples of historical genre feminist structural psychoanalytical and phenomenological film criticism Riefenstahl Screened Neil Christian Pages, Ingeborg Majer O'Sickey, Mary Rhiel, 2008-05-16 Leni Riefenstahl is larger than life From the lure of her persona as it enters our homes via television to our pleasure in the recognition of her film images at rock concerts to her place as part of the history of the Nazi period Riefenstahl lives on in our imagination and in our cultural productions Thus the editors introduction to this volume examines the manner in which Riefenstahl haunts debates on aesthetics and politics and how her legacy reverberates in the contemporary cultural scene The editors view the collection as a three part framework The essays in the opening section of the book show that Riefenstahl is still very much alive and well and controversial in popular culture Her films continue to determine the way in which we think about the Nazi period providing instantly recognizable images and messages that often go unquestioned We cannot separate these phenomena from Riefenstahl's years of avid self fashioning The second section of the book offers treatments of the shifting mobile relationship between Riefenstahl's stubborn attempts to create and control her personae and her reactions to others re appropriations of the meanings of her life and work Reading the texts and discourses surrounding Riefenstahl these scholars treat her memoirs and her repeated assertions about herself as a springboard into understanding anew how we might approach her films in a productive way The closing section of the volume comprises essays that go right to the heart of the matter Riefenstahl's films and photography The new contexts theoretical discussions and emerging discourses that animate these essays include Scarry's treatise on beauty justice and the global the problems of history and memory the place of Riefenstahl's filmmaking technique in contemporary cinema and her appropriation of German musical traditions Fueled by the work of a diverse range of scholars then Riefenstahl Screened offers an opportunity to rethink the place of Leni Riefenstahl and her work in contemporary culture and in academic discourse It insists upon a critical self examination that maps a topography of how scholars and teachers avail themselves of Riefenstahl's corpus A Writer's Eye: Collected Book Reviews Welty, Eudora, 1994 Although she is eminent primarily as the prize winning author of classic works of fiction Eudora Welty is notable also as an astute literary critic Her essays on the

art of fiction and on the writers who enlarged the range of the short story and the novel are definitive pieces Her distinguished book reviews along with her critical essays augment her reputation for being one of the most discerning author critics in literary America This collection of her book reviews manifests the connecting of her penetrating eye with her responsive intellect in forming sympathetic judgments of the books she reviewed Between 1942 and 1984 Welty wrote sixty seven reviews of seventy four books Fifty eight of these appeared in the New York Times Book Review and others in the Saturday Review of Literature Tomorrow the Hudson Review the New York Post and the Sewanee Review The reviewed books include novels short story collections books of essays biographies and memoirs books of letters children s books books of ghost stories photography books books of literary criticism and books of World War II art Over nearly half a century she reviewed books by some of the foremost authors of her time Virginia Woolf William Faulkner V S Pritchett Colette Isak Dinesen E B White E M Forster J D Salinger Ross Macdonald Patrick White S J Perelman Annie Dillard Elizabeth Bowen and Katherine Anne Porter A Writer s Eye includes all of Welty s book reviews even one published in the New York Times Book Review under the pseudonym Michael Ravenna Sixteen of the reviews were collected previously in Welty s The Eye of the Story 1978 In this collection Pearl Amelia McHaney s introduction records the history of Welty s career in book reviewing and illuminates the honesty and compassion with which Welty wrote reviews Welty s keen vision her wit and her refined style make these monuments to interruption a phrase she wrote in description of Virginia Woolf s essays and reviews an important record of her literary standards and special interests They show as well how book reviewing consumed a large measure of creative time that she customarily devoted to fiction writing Placed beside her authoritative critical essays this volume enhances Welty s considerable literary stature and completes the image of Eudora Welty as a consummate woman of letters

Impossible Missions? Nina Berman, 2004-01-01 This study of the German presence in Africa in the modern period exposes forms of cultural domination that derive from a philosophy of progress and good intentions The humanitarian belief in development however can ultimately lead to the same structural imbalances that an overtly racist model of intervention produces Berman examines five case studies involving German individuals and their respective

missions in Africa Max Eyth in Egypt Albert Schweitzer in Gabon Ernst Udet in East Africa Bodo Kirchoff in Somalia and modern day tourists in Kenya These engineers doctors pilots soldiers and tourists believed that their presence and actions would benefit the respective countries and their inhabitants Nevertheless their interventions created profound problems for Africans Nina Berman describes the structures of domination that date back to colonialism but did not disappear with decolonization and are in fact integral to today's global economy She also critiques the avoidance of African material reality in most of the analyses of European images of Africa which has led to a perpetuation of the old model of Africanism By highlighting patterns of domination that did not disappear with decolonization Impossible Missions disputes previous assumptions about why global inequality has not only persisted but increased Performance: pt. 1. Identity and the self Philip Auslander, 2003 This collection reflects not only the multidisciplinary nature of current thinking about performance but also the complex and contested nature of the concept itself The Goddess and the Bull Michael Balter, 2016-06-16 Veteran science writer Michael Balter skillfully weaves together many threads in this fascinating book about one of archaeology's most legendary sites atalhyk First excavated forty years ago the site is justly revered by prehistorians art historians and New Age goddess worshippers alike for its spectacular finds dating almost 10 000 years ago Archaeological maverick Ian Hodder leader of the recent re excavation at this Turkish mound designated Balter as the project's biographer The result is a skillful telling of many stories about both past and present of the inhabitants of Neolithic atalhyk and the development of human creativity and ingenuity as revealed in the recent excavation of James Mellaart the original excavator whose troubles off the mound eventually overshadowed his incisive work at the site of Hodder and his intense brilliant crew who marveled and squabbled over the meaning of finds in dusty trenches while attempting to reinterpret Mellaart's work and of the recent history of the theory and methods of archaeology itself Part story of the human past part soap opera of modern scholarly life part textbook on the practice of modern archaeology this book should appeal to general readers and archaeological students alike *On Women* Susan Sontag, 2023-05-30 A pithy and brilliant introduction to Susan Sontag's writing on women gathering early essays on aging equality beauty sexuality and fascism Susan Sontag was one of the most formidable original and influential thinkers of the last century The most interesting ideas are heresies she remarked and indeed her writing rejects the familiar and refuses party lines On Women presents seven essays and exchanges spanning a range of subjects the challenges and humiliations women face as they age the relationship between women's liberation and class struggle beauty which Sontag calls that over rich brew of so many familiar opposites feminism fascism and film Taken together these pieces relentlessly curious historically precise politically robust and allergic to easy categorization Sontag's inimitable mind at work
