**The Last Remaining Seats**, 1997 Theatres built in Los Angeles in the 20s and 30s were accurately described as movie palaces Using silk marble gold leaf and crystal chandeliers they gave the filmgoing experience an elegance now long forgotten This breathtaking book would thrill anyone interested in Hollywood history and become a treasured cornerstone in the library of any movie buff These sumptuous movie palaces are a testament to cinema history This is certainly a book to enjoy and cherish Ismail Merchant Merchant Ivory Productions [The Papers of Will Rogers: From the Broadway stage to the national stage, September 1915-July 1928](#) Will Rogers,2005-09-28 In the early years of his performing career Will Rogers was a vaudeville performer of limited prominence Around the age of thirty five however this Oklahoma cowboy philosopher shed his role as local stage entertainer and moved toward fame as a Broadway star and nationally beloved humorist This documentary history volume four in the definitive five volume Papers of Will Rogers reveals Rogers s personal and professional transformation during what may have been the most productive period of his diverse career Between 1915 and 1928 the years covered by this volume Rogers developed his unique monologues of topical humor sampled the relatively new medium of radio and pursued a career in silent films He also tried his voice in sound recordings witnessed his work as a writer reach millions of readers of daily newspapers became one of the most sought after speakers on the dinner circuit and embarked on a three year tour of the nation s lecture halls In addition to Rogers s personal correspondence with family members and friends editors Steven K Gragert and M Jane Johansson present more than one hundred letters and telegrams to and from people Rogers touched both inside and outside public life including prominent figures in politics show business literature industry government publishing and the arts Much of this material gleaned from private collections interviews manuscripts and sound recordings has never before been published *The Last Remaining Seats* Robert Berger,Anne Conser,Stephen M. Silverman,1997 **The Buildings of Main Street** Richard W. Longstreth,2000 The Buildings of Main Street is the primary resource for interpreting commercial architectural style Richard Longstreth a renowned and respected author in the field of historic preservation presents a useful survey of commercial architecture in urban America He has developed a typology of architectural classification for commercial application in American towns across the United States Likely to be enjoyed by both students and members of the general public seeking an introduction to commercial architecture The Buildings of Main Street makes a significant and lasting contribution to American architectural history **When Movies Were Theater** William Paul,2016-05-24 There was a time when seeing a movie meant more than seeing a film The theater itself shaped the very perception of events on screen This multilayered history tells the story of American film through the evolution of theater architecture and the surprisingly varied ways movies were shown ranging from Edison s 1896 projections to the 1968 Cinerama premiere of Stanley Kubrick s 2001 William Paul matches distinct architectural forms to movie styles showing how cinema s roots in theater influenced business practices exhibition strategies and film technologies

The Architecture of the Illusive Distance Amir H. Ameri,2016-03-03 Focusing on three secular institutional building types libraries museums and cinemas this book explores the intricate interplay between culture and architecture It explores the cultural imperatives which have seen to the formation of these institutions the development of their architecture and their transformation over time The relationship between culture and architecture is often perceived as a monologic relationship Architecture is seen to embody represent and or reflect the values the beliefs and the aesthetic ideals of a culture Ameri argues that this is at best a partial and restrictive view and that if architecture is a cultural statement it is a performative one It does not merely represent culture but constructs reifies and imposes culture as the unalterable shape of reality Whereas the concept and the study of cultural performatives have had an important critical impact on the humanities architecture as a cultural performative has not received the necessary scholarly attention and in part this book aims to fill this gap Whereas building type studies have been largely restricted to elucidating how best to design building types based on historic and contemporary precedents studies in the humanities that analytically and critically engage the secular institutions and their history as cultural performatives typically cast a blind or perfunctory glance at the performative complicity of their architecture This book aims to address the omissions in both these approaches The library the museum and the movie theater have been selected for close critical study because this book argues each has been instituted to house domesticate and restrain a specific form of representation The aim has been to protect and promulgate the metaphysics of presence as Jacques Derrida expounds the concept This book proposes that it is against the dangers of unconstrained cohabitation of reality and representation that the library the m
