Sketches In Pen And Ink A Bloomsbury Notebook:

Sketches In Pen And Ink Vanessa Bell, 2010-11-30 Vanessa Bell artist sister of Virginia Woolf wife of Clive Bell and lover of Duncan Grant is one of the most fascinating and modern figures of the Bloomsbury set but unlike most of them she rarely put pen to writing paper When she did she was witty and illuminating about their early lives The eldest of the Stephen family she grew up with Virginia in Victorian gloom at Hyde Park Gate and later blossomed in bohemian style in Bloomsbury From the twenties to the forties she lived and painted at Charleston Farmhouse like a heroine of the sixties and seventies at the centre of a colourful world of family friends artists and intellectuals *Sketches in Pen and Ink* is a unique collection of largely unpublished memoirs most of them written to be read at meetings of the Memoir club in which Vanessa writes with wit and charm about herself her childhood her remarkable family and friends her moving relationship with Roger Fry and her art Her daughter Angelica Garnett has written a vivid and personal introduction which adds considerably to our understanding of this extraordinary woman and artist

In and out of Bloomsbury Martin Ferguson Smith, 2021-07-20 These highly original essays illuminate Virginia Woolf and a selection of other twentieth century writers and artists Based on detailed research and presenting previously unpublished texts pictures and photographs they are notable feats of scholarly detective work Six of them focus on four pivotal members of the Bloomsbury Group Virginia Woolf Vanessa Bell Clive Bell and Roger Fry Prominent ingredients of their story include art writing friendship love sex mental illness and Greek travel The five out of Bloomsbury essays are about the new letters from the novelist Rose Macaulay to the Irish poet Katharine Tynan the prodigious teenage talents of Dorothy L Sayers the remarkable story of Tolkien's schoolmaster R W Reynolds and the artist Tristram Hillier in Portugal The collection creates a richly varied and entertaining picture of British culture in the first half of the twentieth century

Bloomsbury and France Mary Ann Caws, Sarah Bird Wright, 1999-12-02 Bloomsbury on the Mediterranean is how Vanessa Bell described France in a letter to her sister Virginia Woolf Remarking on the vivifying effect of Cassis Woolf herself said I will take my mind out of its iron cage and let it swim Complete heaven I think it Yet until now there has never been a book that focused on the profound influence of France on the Bloomsbury group In *Bloomsbury and France* Art and Friends Mary Ann Caws and Sarah Bird Wright reveal the crucial importance of the Bloomsbury group's frequent sojourns to France the artists and writers they met there and the liberating effect of the country itself Drawing upon many previously unpublished letters memoirs and photographs the book illuminates the artistic development of Virginia and Leonard Woolf Clive Bell David Garnett E M Forster Lytton Strachey Dora Carrington and others The authors cover all aspects of the Bloomsbury experience in France from the specific influence of French painting on the work of Roger Fry Duncan Grant and Vanessa Bell to the heady atmosphere of the medieval Cistercian Abbaye de Pontigny the celebrated meeting place of French intellectuals where Lytton Strachey Julian Bell and Charles Mauron mingled with writers and critics to the relationships between the Bloomsbury group and Henri Matisse Pablo Picasso Gertrude Stein Andre Gide Jean

Marchand and many others Caws and Wright argue that Bloomsbury would have been very different without France that France was their anti England a culture in which their eccentricities and aesthetic experiments could flower This remarkable study offers a rich new perspective on perhaps the most creative group of artists and friends in the 20th century **The Cambridge Companion to the Bloomsbury Group** Victoria Rosner,2014-05-26 Provides a comprehensive guide to the storied Bloomsbury Group a social circle of prominent intellectuals active during the interwar period **The Bloomsbury Group Memoir Club** S. Rosenbaum,J. Haule,2016-10-15 Shortly before his death S P Rosenbaum began work on the history of the Bloomsbury Group s Memoir Club With original archival material and valuable insights on leading Bloomsbury figures such as Woolf Keynes and Forster this illuminating book offers a new perspective on our understanding of twentieth century autobiography and life writing *Katherine Mansfield and the Bloomsbury Group* Todd Martin,2017-06-01 The New Zealand born writer Katherine Mansfield associated intimately with many members of the Bloomsbury group but her literary aesthetics placed her at a distance from the artistic works of the group With chapters written by leading international scholars Katherine Mansfield and the Bloomsbury Group explores this conflicted relationship Bringing together biographical and critical studies the book examines Mansfield s relationships personal and literary with such major Modernist figures as Virginia Woolf T S Eliot Aldous Huxley and Walter de la Mare as well as the ways in which her work engaged with and reacted against Bloomsbury In this way the book reveals the true extent of Mansfield s wider influence on 20th century modernist writing *The Oxford Handbook of Virginia Woolf* Anne E. Fernald,2021 A Handbook on Woolf s achievements as an innovative novelist and pioneering feminist theorist It studies her life her works her relationships with other writers her professional career and themes in her work including among others feminism sexuality education and class **Living in Squares, Loving in Triangles** Amy Licence,2015-05-15 Extraordinary lives tangled relationships innovative art the story of sisters Vanessa Bell and Virginia Woolf and their Bloomsbury Group **Mrs. Woolf and the Servants** Alison Light,2010-06-15 When Virginia Woolf wrote *A Room of One s Own* in 1929 she established her reputation as a feminist and an advocate for unheard voices But like thousands of other upper class British women Woolf relied on live in domestic servants for the most intimate of daily tasks That room of Woolf s own was kept clean by a series of cooks and maids throughout her life In the much praised *Mrs Woolf and the Servants* Alison Light probes the unspoken inequality of Bloomsbury homes with insight and grace and provides an entirely new perspective on an essential modern artist

Howards End is on the Landing Susan Hill,2010-08-06 Early one autumn afternoon in pursuit of an elusive book on her shelves Susan Hill encountered dozens of others that she had never read or forgotten she owned or wanted to read for a second time The discovery inspired her to embark on a year long voyage through her books forsaking new purchases in order to get to know her own collection again A book which is left on a shelf for a decade is a dead thing but it is also a chrysalis packed with the potential to burst into new life Wandering through her house that day Hill s eyes were opened to how much

of that life was stored in her home neglected for years *Howards End* is on the Landing charts the journey of one of the nation's most accomplished authors as she revisits the conversations libraries and bookshelves of the past that have informed a lifetime of reading and writing

Virginia Woolf and the Lives, Works, and Afterlives of the Brontës Hilary Newman, 2024-06-15 In her feminist polemic *A Room of One's Own* Virginia Woolf famously wrote of the comparatively recent literary tradition of female writers we think back through our mothers if we are women Woolf's major literary mothers were those women novelists writing during the Victorian period and earlier Virginia Woolf and the Lives Works and Afterlives of the Brontës examines all of Woolf's writings on the Brontës across a wide range of genres juvenilia novels literary essays feminist polemics diaries and letters This proves particularly fruitful as Woolf herself was both a creative artist and a literary critic As a woman she was ambivalent towards the Victorian world in which she spent her youth emotionally she remained in thrall to it but intellectually she developed the modernist novel After Woolf ceased to write publicly about the Brontës she continued to engage with them through the Hogarth Press which she had founded in 1917 with her husband Leonard She then chose to publish books on the Brontës whose approaches to them she supported Newman approaches her subject in a Woolfian way that is she avoids dogmatism and aims to open up discussion of the lives works and afterlives of the Brontës as mediated by Woolf rather than closing it down to one particular interpretation
