Bird Stories from Burroughs John Burroughs,2015-08-05 Excerpt from Bird Stories From Burroughs Sketches of Bird Life Taken From the Works of John Burroughs John Burroughs s first book Wake Robin contained a chapter entitled The Invitation It was an invitation to the study of birds He has reiterated it implicitly if not explicitly in most of the books he has published since then and many of his readers have joyfully accepted it Indeed such an invitation from Mr Burroughs is the best possible introduction to the birds of our Northeastern States and it is likewise an introduction to some very good reading To convey this invitation to a wider circle of young readers the most interesting bird stories in Mr Burroughs s books have been gathered into a single volume A chapter is given to each species of bird and the chapters are arranged in a sort of chronological order according to the time of the bird s arrival in the spring the nesting time or the season when for some other reason the species is particularly conspicuous In taking the stories out of their original setting a few slight verbal alterations have been necessary here and there but these have been made either by Mr Burroughs himself or with his approval About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Burroughs It is sure to be a bright March morning when you first hear the bluebird's note and it is as if the milder influences up above had found a voice and let a word fall upon your ear so tender is it and so prophetic a hope tinged with a regret There never was a happier or more devoted husband than the male bluebird He is the gay champion and escort of the female at all times and while she is sitting he feeds her regularly It is very pretty to watch them building their nest The male is very active in hunting out a place and exploring the boxes and cavities but seems to have no choice in the matter and is anxious only to please and encourage his mate who has the practical turn and knows what will do and what will not After she has suited herself he applauds her immensely and away the two go in quest of material for the nest the male acting as guard and flying above and in advance of the female She brings all the material and does all the work of building he looking on and encouraging her with gesture and song He acts also as inspector of her work but I fear is a very partial one She enters the nest with her bit of dry grass or straw and having adjusted it to her notion withdraws and waits near by while he goes in and looks it over On coming out he exclaims very plainly Excellent excellent and away the two go again for more material We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
